Break Away: First Time Gay Hockey Romance Van Barrett, 2016-10-14 Jocks are nothing but trouble Student journalist Lane Matthews knows that all too well which is why he's dreading his latest assignment to write an intimate exposé of the most popular athlete on campus River Brame But River isn't your typical goal scoring stud with a stupidly good body and Lane soon learns that the North Dakota captain is hiding a softer sweeter side under that hard body Lane has to stay professional and remind himself that River is straight and not looking to score with a gay sex columnist Even if he could swear that River is flirting with him Where there's smoke there's fire River's dazzling skills and jaw dropping physique have him destined to be a star in the NHL but the cut throat media is desperate to smear his name Lane's feature story will help River set the record straight and dispel the damaging rumors Can Lane help River extinguish the embers of controversy or will they ignite an even hotter one As the two men grow closer suspicions about their friendship start to spread Can River manage fame and a secret life Is Lane chasing more heart break and humiliation And will their secret passion drive them apart or can Lane and River break away and find their path together Hockey Fight in Canada David Shoalts, 2018-09-29 In late 2013 Canadians were intrigued to learn the NHL chose Rogers as its exclusive national broadcaster over both CBC and Rogers's bitter rival Bell Canada The decision was met with equal parts fascination shock and anger When CBC rank and file employees came to believe their leaders missed a chance to hold on to at least a part of Hockey Night in Canada a move that could have saved some of their jobs their disappointment turned to outrage This is also a story of great irony as the win

proved to be costly for the victor in the first years When Rogers sealed the 5.2 billion twelve year deal it looked like the audacious play might just pay off The Toronto Maple Leafs with the biggest fan base in the country appeared ready to shake off years of mediocrity and become playoff contenders drawing legions of fans to Rogers's broadcasts in the process In anticipation Rogers gave Hockey Night in Canada a facelift bringing in hip George Stroumboulopoulos to replace veteran host Ron MacLean However in January 2014 the Maple Leafs crashed hard and so did the ratings for Hockey Night in Canada It was crushing news for Rogers with cable cutting already shaping into an existential threat On top of everything Strombo bombed as host and the network had to bring MacLean back Then things got even worse by the middle of the 2015-16 season the rest of the seven Canadian NHL teams missed the playoffs and ratings fell further chasing away even more advertising dollars Simultaneously viewing habits were changing so quickly no one could predict what would happen next year let alone in the next decade Shoalts covers this story from the beginning and Hockey Fight in Canada details every fascinating play in this intersection of sports and business

The Digital NBA Steven Secular, 2023-06-20 The National Basketball Association reaches a global audience via a multiplatform strategy that leverages its uncanny ability to connect fans to all things NBA Steven Secular brings readers inside the league's global operations and traces the history of the NBA's approach to sports media from its 1980s embrace of cable through the streaming revolution of the twenty-first century As fans around the world stream games and other league content NBA teams incorporate foreign languages and cultures into broadcasts to boost their products appeal to audiences in Brazil China and beyond Secular's analysis reveals how the NBA continues to transform itself into a wildly successful media producer and distributor more akin to a streaming studio than the sports leagues of old even as its media partners and sponsors erase any notion of sports as a civic good A timely look at a dynamic media landscape The Digital NBA shows how the games we love became content first and sport a distant second
