Tcherneva, 2020-06-05 One of the most enduring ideas in economics is that unemployment is both unavoidable and necessary for the smooth functioning of the economy This assumption has provided cover for the devastating social and economic costs of job insecurity It is also false In this book leading expert Pavlina R Tcherneva challenges us to imagine a world where the phantom of unemployment is banished and anyone who seeks decent living wage work can find it guaranteed This is the aim of the Job Guarantee proposal to provide a voluntary employment opportunity in public service to anyone who needs it Tcherneva enumerates the many advantages of the Job Guarantee over the status quo and proposes a blueprint for its implementation within the wider context of the need for a Green New Deal This compact primer is the ultimate guide to the benefits of one of the most transformative public policies being discussed today It is essential reading for all citizens and activists who are passionate about social justice and building a fairer economy

**For What It's Worth** Les Gold, 2013-06-13 Businesses these days talk a lot about figuring out what the customer wants Well here s your first lesson the customer doesn t know what he wants This book is going to show you how to convince him he wants the thing you re selling Les Gold has been in business since age twelve when he started selling used golf clubs from his dad s basement Now he owns Detroit s biggest pawnshop American Jewelry and Loan and is the star of the hit reality TV show Hardcore Pawn As a third generation pawnbroker Gold grew up in the business dealing with customers who could be unruly and violent as often as they were friendly He became good at selling just about anything and at buying items for what they were worth Although he started at his family s small pawnshop he has now expanded into a fifty thousand square foot former bowling alley making a thousand deals a day On any given day he could be taking a vintage car in to pawn or chasing down a thief who s just stolen a gold chain from the store No business school in the world can teach you as much about buying selling negotiating managing employees dealing with customers advertising tracking trends and predicting the economy s ups and downs In this entertaining honest book Gold takes you inside some of his weirdest wackiest deals and steals From the monkey his dad once took in to pawn to the deal Gold made for a stripper pole he has no boundaries for what he considers to be part of his business and neither should you You will learn How to tell an emotional story when you re selling and take emotion out of the transaction when you re buying Why judging your customers before you know them can kill a potential deal How to deal with risk both mental and physical How to communicate with employees even if they re your own kids Why investing in relationships with your community is time well spent Why your business should never be limited by what others tell you it should be No place in the world prepares you better for the working world than a pawnshop and Les Gold takes you inside his shop to share what he s learned from fifty five years in the most interesting job in the world
