**The End of Autumn** Michael Oriard, 2023-12-11 Much of Michael Oriard's education took place outside the schoolroom of his native Spokane Washington during slaughter practices on high school football fields He was taught to punish and dominate to rouse his school spirit with religion and to tough it through injuries even serious ones At the age of eighteen he entered Notre Dame and walked onto the football team where studying hard was never harder By his senior year playing for Ara Parseghian's Fighting Irish he was the starting center and co captain of the team After graduating he signed with the Kansas City Chiefs and head coach Hank Stram There he learned what it meant to be owned He rediscovered the game as it was played by grown men with families who were still treated like children and who dreaded nothing more than the end of their football careers And without their fully realizing the consequences every hard tackle inflicted its injury some gradually growing into chronic conditions some suddenly cutting a player's career short and ushering him off the field to be soon forgotten In this thoughtful narrative Oriard describes the dreams of glory the game day anxieties the brutal training camps and harsh practices his starry eyed experience at Notre Dame and the cold blooded business of professional football Told from the inside the book leaves aside the hype and the pathos of the game to present a direct and honest account of the personal rewards but also the costs players paid to make others rich and entertained Originally published in 1982 **The End of Autumn** recounts the experiences of an ordinary player in a bygone era before ESPN before the Bowl Championship Series before free agency and million dollar salaries for NFL players In a new afterword Oriard reflects on the process of writing the book and how the game has changed in the thirty years since his retirement from football at the age of twenty six
