"One more thing" Charlotte Erdmann,2011      *Information Needs of Communities* Steven Waldman,2011-09 In 2009 a bipartisan Knight Commission found that while the broadband age is enabling an info and commun renaissance local communities in particular are being unevenly served with critical info about local issues Soon after the Knight Commission delivered its findings the FCC initiated a working group to identify crosscurrent and trend and make recommendations on how the info needs of communities can be met in a broadband world This report by the FCC Working Group on the Info Needs of Communities addresses the rapidly changing media landscape in a broadband age Contents Media Landscape The Policy and Regulatory Landscape Recommendations Charts and tables This is a print on demand report      **What Went Wrong** George R. Tyler,2013-07-16 Something has gone seriously wrong with the American economy The American economy has experienced considerable growth in the last 30 years But virtually none of this growth has trickled down to the average American Incomes have been flat since 1985 Inequality has grown and social mobility has dropped dramatically Equally troubling these policies have been devastating to both American productivity and our long term competitiveness Many reasons for these failures have been proposed Globalization Union greed Outsourcing But none of these explanations can address the harsh truth that many countries around the world are dramatically outperforming the U S in delivering broad middle class prosperity And this is despite the fact that these countries are more exposed than America to outsourcing and globalization and have much higher levels of union membership In *What Went Wrong* George R Tyler a veteran of the World Bank and the Treasury Department takes the reader through an objective and data rich examination of the American experience over the last 30 years He provides a fascinating comparison between the America and the experience of the family capitalism countries Australia Austria Belgium Denmark France Germany the Netherlands and Sweden Over the last 30 years they have outperformed the U S economy by the only metric that really matters delivering better lives for their citizens The policies adopted by the family capitalist countries aren t socialist or foreign They are the same policies that made the U S economy of the 1950s and 1960s the strongest in the world *What Went Wrong* describes exactly what went wrong with the American economy how countries around the world have avoided these problems and what we need to do to get back on the right track      *The Web Designer's Idea Book Volume 2* Patrick McNeil,2010-09-19 *Web Design Inspiration at a Glance Volume 2* of *The Web Designer s Idea Book* includes more than 650 new websites arranged thematically so you can easily find inspiration for your work Author Patrick McNeil creator of the popular web design blog designmeltdown com and author of the original bestselling *Web Designer s Idea Book* has cataloged thousands of sites and showcases the latest and best examples in this book The web is the most rapidly changing design medium and this book offers an organized overview of what s happening right now Sites are categorized by type design element styles and themes structural styles and structural elements This new volume also includes a helpful chapter explaining basic design principles and how they can be
