**The Morning Routine Blueprint** Mike Fishbein, 2015-11-02 Become More Productive With This Morning Ritual Do you struggle to get out of bed and get going Do you wish you were excited to get out of bed in the mornings What if you could miraculously wake up tomorrow and any or every area of your life was transformed How would life be different Would you be happier Healthier More successful Which of your problems would be solved What if I told you that there is a simple secret that is guaranteed to transform any or literally every area of your life faster than you ever believed What if I told you it would only take 9 minutes a day Enter The Morning Routine Blueprint What's now being practiced by thousands of people around the world could perhaps be the simplest approach to creating the life you've always wanted In 2012 I didn't even know what a morning routine was I'd drink coffee as soon as I got out of bed check email early in the morning and I didn't think twice about it Then I realized something A big reason most people aren't successful is they

fail to follow a daily routine Instead they start each day hoping they will have enough time to make progress on their goals I used to be a perfect example But after years of experimenting I realized what a difference having a morning routine makes See if you closely examined the world s most successful people you d see they start each day in an energized state ready to accomplish any goal What s their secret Like brushing your teeth once you get in the habit of doing something it no longer becomes a task it s just something you do Successful people are able to focus on their tasks because they already have built habits into their morning And I want to help you do the same After reading *The Morning Routine Blueprint* you will Know how to make getting out of bed easy and even fun Be able to start your day energized happy and in a good mood Learn how to optimize productivity creativity and more Know how to take control of email and not let it affect your time management and productivity Learn how to journal your way to a stress free life Know how to complement your morning routine with the perfect night routine Are you tired of living a reactive kind of life rather than proactive life Do you want to determine how productive your day is Do you want to find energy and happiness in your day to day activities If you do then this is the perfect book to read Scroll to the top and click the buy now button and start seeing the results you deserve *Daily Routine* George Whittaker,2017-03-14 Start Your Day Like A Champion It is no secret that your morning sets the tone for your entire day That is why it is crucial that you have a power driven morning that is completely set to align you for the highest level of success possible Having a powerful and positive morning routine that starts you off with the right vibrations is going to absolutely change your life You will find that every day you lead with your right foot forward you will feel empowered positive and successful before you even begin There are several methods for you to create a power routine for your mornings but the formula for a strong morning routine is generally the same You may wish to make some alterations to make these routines suit you and your unique lifestyle That is okay and is a big part of creating your power mornings After all you need a routine that feels good to you in order for it to truly start you off on the right foot Throughout this book you are going to be lead from the moment you wake up until the moment you are ready to truly start your daily commitments Each chapter will be dedicated to a certain part of your power morning It is important to note that a strong power morning starts with a restful night s sleep which you can learn more about in *Daily Routines Night Time Routine for Being More Happy Productive and Healthy* By combining the skills that you will learn in these two books you will transform your life in ways you never imagined You will be more productive happier healthier more vibrant and more successful in your everyday life and beyond Here Is A Sneak Peek Of What You Will Learn Fueling Your Mind Fueling Your Body Ways To Lift Your Spirit Waking Up With The Positive Mind Essential Formula To Start The Day And Much Much More Do Not Wait Any Longer And Get This Book For Only 13 38 *Morning Routine Makeover* Zoe Mckey,2017-06-03 Do you often feel unmotivated Wake up with a feeling of anxiety that you should do many things but you lack of direction where to begin so you end up doing nothing Do you feel that you do self sabotage after you wake up by doing nothing productive If you respect only three tips of this book I guarantee

that your first wake up hours can become the best and most action packed part of your day Morning Routine Makeover teaches you every method how to be productive and energetic when your day starts This is an actionable book without any fake it til you make it brush your teeth or wake up at 5 am advice It is a comprehensive psychology biology and motivational manual that lets you know why are you an early bird or night owl type of person gives you the best practices how to bring out the most of your day without overwhelming you with too many new habits Morning Routine Makeover has lots of real life stories and examples proven techniques of high performers and physiological explanations backed up by research studies all of which will help you change your a mindset about the power of the first hours after waking up be it 5 am or 11 am with concrete and simple techniques The 5 am magic doesn't apply to all of us and it's borderline terrible advice for most During my endless months of nocturnal working I developed special practices that doesn't require an early day start to boost your productivity and energy level to the sky By consequently following a few simple practices I could leave my night shift job finish University and start to be a full time writer How can you become a productivity machine Learn the best practices I did to boost my spirits and productivity Get familiar with 10 practices recommended by world leaders high achievers and top class artists Understand why does your body function the way it does on a biological level Learn to diminish the harm your body gets by nighttime shift work or even jetlag Ditch morning idleness Learn The right way to use caffeine as a wake up booster How to eat nutritious food and lose weight Simple steps to detect when you are the most productive during the day Advice from a world class dietician how to combine food to keep you energized all day starting in the morning
