Hulu Near Me:

Sorcerous Sea Carol Severance, 2014-04-01 War is a distant memory on the island and life should be returning to the former days of calm and abundance Yet evil is spreading throughout the land leaving disturbances and distress in its wake People are reporting that they have seen strange sights out upon the water Children are missing from the islands and also from the mainland while hungry sharks in search of food swim closer to land than ever before What is upsetting the delicate balance of the land and the sea Iuti Mano kinswoman of the sharks is beginning to suspect that her violent history is catching up with her She has killed the god of the sharks in order to free herself but now with her beloved children joining the ranks of the missing she must fight to restore that which she had most wanted to slay **The Female Teacher on Television**

Andrew L. Grunzke, Rebecca Z. Grunzke, 2025-06-12 This collection examines the representation of female teachers on television from the advent of the medium to the present day providing insight into its evolution across both time and genre

The City by the Sunlit Sea Tony Ives, 2015-02-18 Sci fi crime noir First there was the skeleton of a woman six years dead sitting in a chair in the desert Then there was the malevolent Mr Grey Hover who put her there and when Oscar Harper dies things take a turn for the worse Carthage is a city on the shore of the sunlit sea a place of canals parks and pleasant boulevards It s a place where you could take a pleasant stroll on a sunny afternoon if it weren t for those who walk in its sunless shadows **The Economist**, 2009 **Just enough** Mira Lee Manickam, 2013-03-01 Just Enough travels inside the conflict zone of Thailand s southernmost provinces and gets under the surface of traditional Malay Muslim culture Mira Lee Manickam an adventurous American researcher takes us with her as she settles into a small fishing village in troubled Pattani Province Stepping uncertainly into this deeply traditional world she gains privileged access to a side of Malay Muslim society rarely seen by outsiders and obscured by the violence featured in Thai newspapers In a style that is humorous honest and moving Manickam charts the southern Thai conflict through her travels in the region and tells the stories of her friends in the village a gang of wild haired teenage boys who observe conservative religious protocol by day and listen to heavy metal in back street teashops by night a group of young women too educated to find husbands in the village but too traditional to leave an impoverished fisherman with a Zen like stance on impermanence and a dropout who immerses himself in Western culture as a star rock climber in a nearby beach resort These stories illustrate the tension between the values of a traditional Malay Muslim community and the demands of an increasingly modern Thai society Just Enough is a personal journey of growth loss and friendship and reveals the colors of daily life that lie beneath the black and white of newspaper headlines What others are saying The author offers an informed and engaged perspective on the impact of the hundred year old conflict in southern Thailand It focuses on the lives of the common people in the areas of education economy and religious development and their effect on the present and the future of the country In a warm affectionate style it highlights the cultural diversities in Thailand as a whole and also in its widespread Muslim community Dr Imtiyaz Yusuf Assumption
