Routledge Handbook on the Green New Deal Kyla Tienhaara,Joanna Robinson,2022-08-26 In recent years the Green New Deal has moved from relative obscurity to front and centre of policy discussions and public debates about how to respond to the climate crisis It has been credited with radically changing the nature of the conversation on climate change and with re energizing the environmental movement at a critical time All Green New Deal proposals share an emphasis on the need for governments rather than markets to lead the energy transition However they differ in other respects This Handbook analyses the fundamentals underlying all Green New Deals as well as exploring national and regional variations It is divided into three parts The first part examines the political economy of the Green New Deal focussing not just on how proposals will be costed but also on opportunities for a fundamental transformation of both national economies and the global economic system The second part explores issues of justice which are central to many Green New Deal proposals including Indigenous rights racial and gender equity and justice for the Global South In the third part authors detail case studies of Green New Deal proposals and plans at the local national and regional level This book will be an invaluable research and reference volume for students and scholars in economics politics sociology geography and environmental studies It should also be of interest to those actively involved in climate and environmental policymaking

Starting & Building a Nonprofit Peri Pakroo,2024-02-27 Starting Building a Nonprofit explains in detail how to start a nonprofit that s both effective and sustainable and can continue doing its good work even if the founders move on It is written for people who are passionate about a cause but who might not know the first thing about the legal structure of nonprofits or how to manage them It explains from A to Z how to organize people money and resources legally and strategically in line with the unique rules governing nonprofit organizations in the U S
