Productivity Planner Apple Music Update:

The Musician's Business and Legal Guide Mark Halloran, 2017-03-16 The Musician's Business and Legal Guide provides vital information to help demystify the music business and the complex body of law that shapes it. This book answers such questions as how to protect name and copyright, what is and is not legal about sampling, what are the legal issues surrounding digital downloads and streaming, what are the jobs of managers, talent agents and publishers, what are common contractual relationships between independent and major labels. The new edition includes chapters not covered in depth by other books: social media law, TV talent shows, YouTube and international copyright. As in previous editions, the book features clause by clause contract analyses for 360 record deals, music publishing management and producer agreements. The

Wall Street Journal, 2007 **Music Marketing for the DIY Musician** Bobby Borg, 2020-01-07 Do it yourself and succeed. More and more artists are taking advantage of new technologies to try and build successful careers. But in this expanding competitive marketplace, serious do-it-yourself musicians need structured advice more than ever. In *Music Marketing for the DIY Musician*, veteran musician and industry insider Bobby Borg presents a strategic step-by-step guide to producing a fully customized low budget plan of attack for marketing one's music. Presented in a conversational tone, this indispensable guide reveals the complete marketing process using the same fundamental concepts embraced by top innovative companies while always encouraging musicians to find their creative niche and uphold their artistic vision. The objective is to help artists take greater control of their own destinies while saving money and time in attracting the full attention of top music industry professionals. It's ultimately about making music that matters and music that gets heard. Updates include: New interviews highlighting current marketing strategies for the new music market; Info on how to leverage digital marketing and streaming playlists; Updated stories and examples of current music marketing principles; Future forecasts and trends in music marketing; New and revised services, tools, references and contacts that can help musicians further their careers; New marketing plan samples for bands, solo artists and freelance musicians and songwriters. **Wall Street Journal Index**
