Billboard ,1996-07-06 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Stereo Review** ,1990 *Hi Fi/stereo Review* ,1990 **Digital Media Distribution** Paul McDonald,Courtney Brannon Donoghue,Timothy Havens,2021-09-07 A deep dive into the new era of digital content production and distribution In the twenty first century the platforms that both create and host content have become nearly as important as media itself Companies such as Netflix Spotify and YouTube have attained a massive hold on the public imagination and have become an almost ineluctable part of people s everyday lives While the workings of media distribution had until very recently remained inconsequential to the average consumer the recent popularization of various online platforms has made the question of distribution immediate to everyone Digital Media Distribution Portals Platforms Pipelines provides a timely examination of the multifaceted distribution landscape in a moment of transformation and conceptualizes media distribution as a complex site of power privilege and gatekeeping These tensions have local national and global consequences on the autonomy of creative workers as well as on how we gain access to engage with and understand cultural products Drawing on original research into distribution practices in industries as diverse as television film videogames literature and adult entertainment each chapter explores how digitization has changed media distribution and its broader economic industrial social and cultural implications Bringing together experts from around the world and across the media industries Digital Media Distribution Portals Platforms Pipelines presents a vast array of critical approaches and illustrative case studies for understanding the factors that have an impact on the way media travels and moves throughout our digital lives **Play, Rewind** John Vurro,2025-04-29 Wes is stuck He should be spending his twenties finishing the schooling that will help him land a career in movies just like he s always dreamed about Instead he divides his time between clerking in the most low rent video store in Queens and caring for a mom struggling with Alzheimer s His father s out of the picture and he has no realistic means of finding care for her beyond the harried home nurse who s already on the brink of quitting but even though he s sure his mother won t even remember his efforts he s still committed to her Still he doesn t have much to do outside life s boring routines except pressing Play and Rewind to try and identify the moments when it all went wrong And maybe watching the random vacation video that some customer left at the store to be copied Then change A friend from high school returns to the neighborhood after a mysterious absence and a disreputable man from the neighborhood takes over the store He may or may not be mobbed up Who can say really It s not the sort of thing you ask your new boss And he finds out his father may be closer than he thinks In short order Wes s life s starting to look different Whether that s a good or a bad thing is tough to say the store s new owner wants to make easy money selling bootleg videos out front and we all know the FBI frowns on that sort of thing

the high school friend may be too eager to make amends and to hide the secrets of her own past mistakes but still it's something Now Wes has to navigate feelings far more frightening than stasis and find a way forward despite everything pulling him back Play Rewind is a lovely literary look at a place near and dear to our hearts one we all might want to visit if we had a time machine the video store And it sends us to another vanished place peaceful and innocent pre 9 11 New York More importantly it's a great glimpse into lives we can all relate to people struggling against impossible odds unsure if anything will ever change It's a fantastic debut novel from an amazing new author John Vurro I loved it so much that after I read it I wanted to rewind back to the beginning and read it again Vurro's is a bold and brilliant new literary voice This beautiful novel moved me deeply Alena Graedon author of The Word Exchange
