Democratic Renewal and the Mutual Aid Legacy of US Mexicans Julie Leininger Pycior, 2014-05-17 The legacy of the historic mutual aid organizing by US Mexicans with its emphasis on self help and community solidarity continues to inform Mexican American activism and subtly influence a number of major US social movements In *Democratic Renewal and the Mutual Aid Legacy of US Mexicans* Julie Leininger Pycior traces the early origins of organizing in the decades following the US Mexican War when Mexicans in the Southwest established mutualista associations for their protection Further she traces the ways in which these efforts have been invoked by contemporary Latino civil rights leaders Pycior notes that the Mexican immigrant associations instrumental in the landmark 2006 immigration reform marches echo mutualista societies at their peak in the 1920s Then Mexican immigrants from San Diego to New York engaged in economic medical cultural educational and legal aid This path breaking study culminates with an examination of Southwest community organizing networks as crucial counterweights to the outsized role of large financial contributions in the democratic political process It also finds ways in which this community organizing echoes the activity of mutualista groups in the very same neighborhoods a century ago

Migrant Remittances in South Asia M. Rahman, T. Yong, A. Ullah, 2014-11-25 This volume provides theoretical treatments of remittance on how its development potential is translated into reality The authors meticulously delve into diverse mechanisms through which migrant communities remit investigating how recipients engage in the development process in South Asia

Foreign Aid and Foreign Policy Louis A. Picard, Robert Groelsema, Terry F. Buss, 2015-01-28 This timely work presents cutting edge analysis of the problems of US foreign assistance programs why these problems have not been solved in the past and how they might be solved in the future The book focuses primarily on US foreign assistance and foreign policy as they apply to nation building governance and democratization The expert contributors examine issues currently in play and also trace the history and evolution of many of these problems over the years They address policy concerns as well as management and organizational factors as they affect programs and policies *Foreign Aid and Foreign Policy* includes several chapter length case studies on Iraq Pakistan Ghana Haiti and various countries in Eastern Europe and Africa but the bulk of the book presents broad coverage of general topics such as foreign aid and security NGOs and foreign aid capacity building and building democracy abroad Each chapter offers recommendations on how to improve the US system of aid in the context of foreign policy

Continental Divides: International Migration in the Americas Katharine M. Donato, Jonathan Hiskey, Jorge Durand, 2010-10-15 Since Mexico US migration represents the largest sustained migratory flow between two nations worldwide much of the theoretical and empirical work on migration has focused on this single case In the last few decades however migration has emerged as a

critical issue across all nations in Latin America and the Caribbean with the region seeing its position changed from a net migrant receiving region to one that now stands as one of the foremost sending areas of the world In this latest volume of the ANNALS leading migration scholars seek to redress the imbalance offered when only studying a single case with the first systematic assessment of Latin American migration patterns using ongoing research on the Mexican case as a basis for comparison Each chapter examines specific propositions or findings derived from the Mexican case that have not yet been tested for other Latin American or Caribbean nations Using a common framework of data methods and theories they offer a new perspective on the causes and consequences of migration in the Western Hemisphere

The Federal Funds Market, Its Origin and Development United States. Federal Reserve Bank of Boston, 2005 Economic Review, 2005 **Indigenous Mexican Migrants in the United States** Jonathan Fox, Gaspar Rivera-Salgado, 2004 The multiple pasts and futures of the Mexican nation can be seen in the faces of the tens of thousands of indigenous people who each year set out on their voyages to the north as well as the many others who decide to settle in countless communities within the United States To study indigenous Mexican migrants in the United States today requires a binational lens taking into account basic changes in the way Mexican society is understood as the twenty first century begins This collection explores these migration processes and their social cultural and civic impacts in the United States and in Mexico The studies come from diverse perspectives but they share a concern with how sustained migration and the emergence of organizations of indigenous migrants influence social and community identity both in the United States and in Mexico These studies also focus on how the creation and re creation of collective ethnic identities among indigenous migrants influences their economic social and political relationships in the United States of California Santa Cruz

Africa's Finances Raj Bardouille, Muna Ndulo, Margaret Grieco, 2008 Globally the volume of remittances to developing countries exceeds the development aid budgets This volume explores the contribution of remittances to Africa TM s finances and provides concrete guidelines as to how these may be expanded It contains essays by the field leaders in this area which record review and revise our knowledge base on Africa TM s remittance patterns The advent of new information communication technologies can contribute to an expanded capture of remittances from the African diaspora and in Africa new forms of money transfer are already taking shape which reflect this affordance The

volume also examines other resources such as skills that the African diaspora remits in its patterns of contact with Africa The volume shaped out of a conference on remittances and the African diaspora held at the Institute for African Development at Cornell University is a timely reminder of the substantial role to be played in Africa TM s development by Africans themselves
