### **About the Book**

This book '**Prime Proverbs**' explains the actual meanings of the selected proverbs and their period of origin. The period of origin is only approximate as one cannot say with certainty when the proverb made its appearance. This is because a proverb would have been current in popular speech before it was recorded in literature.

A unique feature of this book is that the proverbs have been illustrated with examples pertaining to topical subjects like sports, politics, business etc. This will enable the readers to relate these proverbs to the recent events.

Another interesting feature of this book is that the latest proverbs in current usage are included to make it up-to-date. Among these are

- ◆ *If you can't beat them, join them*
- ◆ *You can't tell a book by its cover*
- ◆ *The customer is always right*
- ◆ *There is no such thing as a free lunch*
- ◆ *Garbage in, Garbage out*
- ◆ *When the going is tough, the tough get going*
- ◆ *You can't win them all*
