**Portraits**, 1978      **The Passionate Observer** Keith F. Davis, Carl Van Vechten, 1993 And glance Van Vechten's style combines his own interpretive ideas with a deep empathy for the humanity of his sitters Through his eyes we gain fresh insights into the personal and cultural vitality of an increasingly distant age      *The Homoerotic Photography of Carl Van Vechten* James Smalls, 2006 Carl Van Vechten 1880-1964 was perhaps the most notorious white patron of the arts of black America particularly during the Harlem Renaissance      Portraits Saul Mauriber, 1978      Portraits, the Photography of Carl Van Vechten Carl Van Vechten, 1978      *The Dance Photography of Carl Van Vechten* Carl Van Vechten, 1981      **The Hammond Museum Presents "The Lens of Carl Van Vechten"**, 1968      **Queer Moderns** Alice T. Friedman, 2025-05-27 A richly illustrated history of the glittering world of queer artistic life in the 1920s and 30s In *Queer Moderns* Alice Friedman tells the fascinating story of the queer avant garde of the 1920s and 30s in New York Paris and Venice as seen through the eyes of Max Ewing 1903-1934 a young musician photographer and man about town who although virtually unknown today moved in extraordinary circles In his photographs and letters we meet the rising stars of modern art music dance and literature and enter a world of interracial friendship queer space and experimentation that shone brightly before being swept away by the Depression It is a remarkable story that reveals that the history of modernism is more queer and more Black than previously recognized In the 1920s Ewing became part of an international coterie of artists led by Carl Van Vechten and Muriel Draper In Europe he was entertained by Gertrude Stein met Stravinsky and took a road trip with Romaine Brooks and Natalie Barney In 1928 in a closet in his apartment Ewing created the Gallery of Extraordinary Portraits an installation of photos of his favorite celebrities Black and white clothed and nude For his Carnival of Venice he took portraits of more than a hundred friends including Paul Robeson Berenice Abbott Isamu Noguchi Agnes de Mille and E. E. Cummings posed in front of a backdrop of Saint Mark's Square Like a character from a story by F. Scott Fitzgerald Ewing joined the party and then died tragically unable to accept the end of his era or the lost dream of a new way of living His story sheds new light on modernism and an artistic milieu that was ahead of its time      *Photo-Attractions* Ajay Sinha, 2022-11-11 In Spring 1938 an Indian

dancer named Ram Gopal and an American writer photographer named Carl Van Vechten came together for a photoshoot in New York City Ram Gopal was a pioneer of classical Indian dance and Van Vechten was reputed as a prominent white patron of the African American movement called the Harlem Renaissance Photo Attractions describes the interpersonal desires and expectations of the two men that took shape when the dancer took pose in exotic costumes in front of Van Vechten's Leica camera The spectacular images provide a rare and compelling record of an underrepresented history of transcultural exchanges during the interwar years of early 20th century made briefly visible through photography Art historian Ajay Sinha uses these hitherto unpublished photographs and archival research to raise provocative and important questions about photographic technology colonial histories race sexuality and transcultural desires Challenging the assumption that Gopal was merely objectified by Van Vechten's Orientalist gaze he explores the ways in which the Indian dancer co-authored the photos In Sinha's reading Van Vechten's New York studio becomes a promiscuous contact zone between world cultures where a photo erotic triangle is formed between the American photographer Indian dancer and German camera A groundbreaking study of global modernity Photo Attractions brings scholarship on American photography literature race and sexual economies into conversation with work on South Asian visual culture dance and gender In these remarkable historical documents it locates the pleasure taken in cultural difference that still resonates today
