Canadian Books in Print. Author and Title Index, 1975 **Les portugaises ensablées** Jean-Louis Gréverand, Gérard Gréverand, 1987 **Gender Transgressions** Karen J. Taylor, 2015-12-22 This collection comprising nine critical essays from prominent and emerging medievalists seeks to explore the different ways in which French authors of the Middle Ages transgress normative social and cultural gender codes in their literary works Offering fresh approaches to texts that have long been subjected to polarized critical analyses the essays challenge traditional interpretations of gender roles in Old French literature especially in the thematic areas of sexual deviation and transgression This corpus emerges as possessing multiple shades and subtleties of meaning long buried or ignored by conventional approaches to these texts This is a conclusion much more in accord with what we know about the ability of the medieval imagination to grasp multiple meaning from a single word or act The collection provides many examples of this multi layering of transgressive meaning Through the detailed studies of gender transgressions such as incest cross dressing rape and homoeroticism the reader will come to understand the many facets of the literary expression of sexuality in selected Old French texts products of a society that was at least as diverse and complex as our own These studies will be of particular value to those interested in Old French and gender studies by dint of accessible analyses of texts both familiar and arcane The provocative subject matter makes the studies original and eminently readable **University of Toronto Quarterly** University of Toronto, 2002 *Queering the Medieval Mediterranean: Transcultural Sea of Sex, Gender, Identity, and Culture*, 2021-07-26 In ten essays authored by an international team of scholars this volume explores queer readings of Western and Eastern Mediterranean Europe Northern Africa Islam and Arabic traditions The contributors enter into a dialogue comparing cases from opposite sides of the Mediterranean in order to analyze the forgotten exchange of sexualities that was brought forth through the Mediterranean and its bordering landmasses during the Middle Ages This collection questions the hypothesis that distinct cultures treated sexuality and the other differently The volume initiates the conversation around queerness and sexuality on these trade routes and problematizes the differences between various Mediterranean cultures in order to argue that through both queerness and sexuality neighboring civilizations had access to and knowledge of common shared experiences Contributors are Sahar Amer Israel Burshatin Robert L A Clark Denise K Filos Ellen Lorraine Friedrich Edmund Hayes Gregory S Hutcheson Vicente Lled Guillem Leyla Rouhi and Robert S Sturges **300 expressions bien françaises pour épater la galerie** Alfred Gilder, 2019-09-26 D'où proviennent et que signifient les expressions imagées que l'on utilise tous les jours Donner sa langue au chat Franchir le Rubicon Bataillon des châteaux en Espagne Semer la zizanie Battre la chamade Parler la cantonade Autant d'expressions que l'on utilise presque tous les jours et dont on ignore souvent l'origine ou le sens véritable Pour y remédier Alfred Gilder nous convie une promenade rudite et souriante dans le domaine enchanté des locutions imagées Chemin faisant on glanera un savoir oublié insolite ou amusant toujours surprenant Suivez le guide *Canadian Books in*
