

Addiction vs. **Recovery**

It's all about me and what I want

Lying, Cheating and Manipulating to get what I want

"I can take care of myself!"

Rationalize, justify and minimize when I'm wrong.

Projecting a false image of myself

Hide and deny my fears so as not to appear weak.

"How can I be of help other others?"

Willingness, honesty and open-mindedness allow me to get what I need.

"There is something bigger than me."

Owning my part, admitting my faults and trying to grow from them.

I am no better and no less than anyone else.

Acknowledging my fears and limitations and asking for help.
