An Introduction to Chinese Culture through the Family Howard Giskin, Bettye S. Walsh, 2001-07-26 An Introduction to Chinese Culture through the Family covers a central element of Chinese culture the idea of family or jia Written for both beginners and specialists this book considers the role of family literally metaphorically and as an organizing principle in the creation of the Chinese worldview Individual chapters explore philosophy art language music folk literature fiction architecture film and women and gender Mirroring China's Past Tao Wang, 2018-03-27 A lavishly illustrated book that offers an in depth look at the cultural practices surrounding the tradition of collecting ancient bronzes in China during the 18th and 19th centuries In ancient China 2000 221 b c elaborate bronze vessels were used for rituals involving cooking drinking and serving food This fascinating book not only examines the cultural practices surrounding these objects in their original context but it also provides the first in depth study tracing the tradition of collecting these bronzes in China Essays by international experts delve into the concerns of the specialized culture that developed around the vessels and the significant influence this culture with its emphasis on the concept of antiquity had on broader Chinese society While focusing especially on bronze collections of the 18th and 19th centuries this wide ranging catalogue also touches on the ways in which contemporary artists continue to respond to the complex legacy of these objects Packed with stunning photographs of exquisitely crafted vessels Mirroring China's Past is an enlightening investigation into how the role of ancient bronzes has evolved throughout Chinese history Schätze aus dem Nationalen Palastmuseum, Taiwan Guo li gu gong bo wu yuan, Kunsthistorisches Museum Wien, 2008 Newsletter, East Asian Art and Archaeology ,1994 Landscapes Clear and Radiant Wen Fong,∏,Chin-Sung Chang,Maxwell K. Hearn,2008 Wang Hui the most celebrated painter of late seventeenth century China played a key role both in reinvigorating past traditions of landscape painting and in establishing the stylistic foundations for the imperially sponsored art of the Qing court Drawing upon his protean talent and immense ambition Wang developed an all embracing synthesis of historical landscape styles that constituted one of the greatest artistic innovations of late imperial China This comprehensive study of the painter the first published in English features three essays that together consider his life and career his artistic achievements and his masterwork the series of twelve

monumental scrolls depicting the Kangxi emperor's Southern Inspection Tour of 1689 The first essay by Wen C Fong closely examines Wang Hui s genius for repossessing the past his ability to engage in an inventive dialogue with previous masters and to absorb their stylistic personae while making works that were distinctly his own Chin Sung Chang next traces the entire trajectory of Wang's development as an artist from his precocious youth in the village of Yushan through growing local and national fame first as a copyist then as the creator of groundbreaking panoramic landscapes to the ultimate confirmation of his stature with the commission to direct the Southern Inspection Tour project Focusing on this extraordinary eight year long effort Maxwell K Hearn's essay discusses the contemporary sources for the scrolls the working methods of Wang and his assistants comparing drafts with finished versions and the artistic innovations reflected in these imposing works the extant examples of which measure more than two feet high and from forty six to eighty six feet long This publication accompanies the exhibition Landscapes Clear and Radiant The Art of Wang Hui 1632 1717 held at The Metropolitan Museum of Art New York from September 9 2008 through January 4 2009 BOOK JACKET **Dimensions of Originality** Katharine P Burnett, 2013-03-13 This book investigates the issue of conceptual originality in art criticism of the seventeenth century a period in which China dynamically reinvented itself In art criticism the term which was called upon to indicate conceptual originality more than any other was gi literally different but secondarily odd like a number and by extension the novel and extraordinary This work finds that originality expressed through visual difference was a paradigmatic concern of both artists and critics Burnett speculates on why many have dismissed originality as a possible traditional Chinese value and the ramifications this has had on art historical understanding She further demonstrates that a study of individual key terms can reveal social and cultural values and provides a linear history of the increase in critical use of gi as originality from the fifth through the seventeenth centuries exploring what originality looks like in artworks by members of the gentry elite and commoner classes and explains how the value lost its luster at the end of the seventeenth century The Empress and the Dragon Throne Ellen Soulliere, 2025-11-04 The rulers of the Ming dynasty enacted paradigms of hierarchical order Like imperial families households and courts in earlier Chinese dynasties they articulated patriarchal patrilineal and patrilocal organizational principles as exemplars for families and institutions throughout the empire Women made indispensable contributions to the development of these paradigms and principles and to the social cultural and political fabric of the family and the state And yet in the existing literature in Chinese and English women are often burdened with stereotypes positioned as peripheral or rendered almost invisible Reading available texts against the grain and drawing on a trove of evidence from material culture Soulliere shows how women defined a place for themselves in the multigenerational Ming imperial family imperial household and court The Empress and the Dragon Throne spans the first Ming century from just before the founding of the dynasty in 1368 to the end of the Tianshun reign in 1465 This richly illustrated volume is a must read for scholars students and anyone interested in learning about women s lives during the Ming dynasty **Emperor Huizong and Late** 

Northern Song China Patricia Buckley Ebrey, Maggie Bickford, 2020-05-11 Huizong was an exceptional emperor who lived through momentous times A man of many talents he wrote poetry and created his own distinctive calligraphy style collected paintings calligraphies and antiquities on a large scale promoted Daoism and involved himself in the training of court artists the layout of gardens and reforms of music and medicine The guarter century when Huizong ruled is just as fascinating The greatly enlarged scholar official class had come into its own but was deeply divided by factional strife The long struggle between the Chinese state and its northern neighbors entered a new phase when Song proved unable to defend itself against the newly emergent Jurchen state of Jin Huizong and thousands of members of his family and court were taken captive and the Song dynasty had to recreate itself in the South National Palace Museum Bulletin Guo li gu gong bo wu vuan,1998 Journal of Ritual Studies ,2005 Journal of Sung-Yuan Studies ,1996 □□□□ Peter Y.
