

Possession Exorcism

Brian P. Levack

Possession Exorcism:

A History of Exorcism in Catholic Christianity Francis Young, 2016-04-27 This book traces the development of exorcism in Catholic Christianity from the fourth century to the present day and seeks to explain why exorcism is still so much in demand This is the first work in English to trace the development of the liturgy practice and authorisation of exorcisms in Latin Christianity The rite of exorcism and the claim by Roman Catholic priests to be able to drive demons from the possessed remains an enduring source of popular fascination but the origins and history of this controversial rite have been little explored Arguing that belief in the need for exorcism typically re emerges at periods of crisis for the church Francis Young explores the shifting boundaries between authorised exorcisms and unauthorised magic throughout Christian history from Augustine of Hippo to Pope Francis This book offers the historical background to and suggests reasons for the current resurgence of exorcism in the global Catholic Church

The Social Scientific Study of Exorcism in Christianity Giuseppe Giordan, Adam Possamai, 2020-06-01 This book presents an academic analysis of exorcism in Christianity It not only explores the crisis and drama of a single individual in a fight against demonic possession but also looks at the broader implications for the society in which the possessed lives In recognition of this coverage includes case studies from various geographical areas in Europe North and South America and Oceania The contributors explore the growing significance of the rite of exorcism both in its more structured format within traditional Christian religions as well as in the less controlled and structured forms in the rites of deliverance within Neopentecostal movements They examine theories on the interaction between religion magic and science to present new and groundbreaking data on exorcism The fight against demonic possession underlines the way in which changes within the religious field such as the rediscovery of typical practices of popular religiosity challenge the expectations of the theory of secularization This book argues that if possession is a threat to the individual and to the equilibrium of the social order the ritual of exorcism is able to re establish a balance and an order through the power of the exorcist This does not happen in a social vacuum but in a consumer culture where religious groups market themselves against other faiths This book appeals to researchers in the field

The Oxford Handbook of Witchcraft in Early Modern Europe and Colonial America Brian P. Levack, 2013-03-28 A collection of essays from leading scholars in the field that collectively study the rise and fall of witchcraft prosecutions in the various kingdoms and territories of Europe and in English Spanish and Portuguese colonies in the Americas

Possession and Exorcism Brian P. Levack, 1992 First Published in 1993 Routledge is an imprint of Taylor Francis an informa company

Jesus, the Galilean Exorcist Amanda Witmer, 2012-02-23 Amanda Witmer presents an investigation of exorcism in the activities of the historical Jesus particularly the connection between spirit possession and exorcism on the one hand and the socio political context of first century Galilee on the other Witmer draws on research from the areas of sociology anthropology archaeology and biblical studies to illuminate this aspect of Jesus career as well as the broader social implications of spirit possession in those he treated and

the exorcisms themselves Evidence found in the strands underlying the Synoptic Gospels is evaluated using the criteria of authenticity and comparative analysis in order to establish early and historical material Questions posed and answered concern the historical plausibility of Jesus role as exorcist the possibility that his own career began with a period of spirit possession and the meaning that his exorcisms conveyed to his first century audience Thus the methodology includes textual analysis sociological analysis of general cultural patterns within which first century Palestine can be fitted and anthropological analysis of the plausible functions of both spirit possession and exorcism in agrarian societies

Thinking with Demons Stuart Clark,1999 This is a work of fundamental importance for our understanding of the intellectual and cultural history of early modern Europe Stuart Clark offers a new interpretation of the witchcraft beliefs of European intellectuals based on their publications in the field of demonology and shows how these beliefs fitted rationally with many other views current in Europe between the fifteenth and eighteenth centuries Professor Clark is the first to explore the appeal of demonology to early modern intellectuals by looking at the books they published on the subject during this period After examining the linguistic foundations of their writings the author shows how the writers ideas about witchcraft and about magic complemented their other intellectual commitments in particular their conceptions of nature history religion and politics The result is much more than a history of demonology It is a survey of wider intellectual and ideological purposes and underlines just how far the nature of rationality is dependent on its historical context

The Exorcist Effect Joseph P. Laycock,Eric Harrelson,2023-11-07 The Exorcist Effect examines the relationship between horror films and religious culture focusing on the period from 1968 to the present Films like Rosemary s Baby 1968 The Exorcist 1973 and The Omen 1976 claimed to be based on actual events religious traditions and Biblical texts These films inspired subsequent beliefs and experiences which became the basis for yet more horror films This book draws on archival research to shed new light on such figures as Ed and Lorraine Warren and Malachi Martin who inserted themselves into this cycle It also incorporates interviews with horror authors film writers and paranormal investigators

How About Demons? Felicitas D. Goodman,2020-03-04 The author of the Exorcism of Anneliese Michel is to be commended for a stimulating and wide reaching treatment of a compelling and much debated subject Journal of Folklore Research As part of a series that strives to introduce new or previously unrecognized folkloric phenomena as well as new approaches and theories that result from discovery and investigation How About Demons provides an overview of a topic that has for many years captured the imagination of people from all walks of life Rich in detail derived from the author s fieldwork and anthropological literature this work contemplates possession and exorcism in a holistic manner discussing their effects on both the body and soul How About Demons paints a picture of possession as a usually positive experience occurring in a wide variety of cultures and religions around the globe It also details the ritual of exorcism which is applied when things go wrong Quite an interesting book Religious Studies Review It is by far superior to anything else on demons we have seen in the past few years The

American Rationalist **An Introductory Dictionary of Theology and Religious Studies** Orlando O. Espín, James B. Nickoloff, 2007 Spanning the gamut from Aaron to Zwingli this dictionary includes nearly 3 000 entries written by about sixty authors all of whom are specialists in their various theological and religious disciplines The editors have designed the dictionary especially to aid the introductory level student with instant access to definitions of terms likely to be encountered in but not to substitute for classroom presentations or reading assignments Publisher *The Devil Within* Brian Levack, 2020-08-11 A fascinating wide ranging survey of the history of demon possession and exorcism through the ages In the sixteenth and seventeenth centuries the era of the Reformation thousands of Europeans were thought to be possessed by demons In response to their horrifying symptoms violent convulsions displays of preternatural strength vomiting of foreign objects displaying contempt for sacred objects and others exorcists were summoned to expel the evil spirits from victims bodies This compelling book focuses on possession and exorcism in the Reformation period but also reaches back to the fifteenth century and forward to our own times Entire convents of nuns in French Italian and Spanish towns thirty boys in an Amsterdam orphanage a small group of young girls in Salem Massachusetts these are among the instances of demon possession in the United States and throughout Europe that Brian Levack closely examines taking into account the diverse interpretations of generations of theologians biblical scholars pastors physicians anthropologists psychiatrists and historians Challenging the commonly held belief that possession signals physical or mental illness the author argues that demoniacs and exorcists consciously or not are following their various religious cultures and their performances can only be understood in those contexts Riveting and readable must reading for students of history psychology and religion Publishers Weekly Levack a distinguished historian of early modern witchcraft now sets exorcism in a long historical perspective providing the most comprehensive and scholarly overview of the theme yet published Peter Marshall Times Literary Supplement **Japan Weekly Mail** ,1881 [The Japan Daily Mail](#) ,1881 *Demonic Possession and Exorcism* Sarah Ferber, 2013-01-11 In this highly original examination of possession by demons and their exorcism Sarah Ferber offers a challenging study of one of the most intriguing phenomena of early modern Europe *The Oxford Encyclopedia of the Reformation* Hans Joachim Hillerbrand, 1996 The definitive source for information about the entire range of religious and social changes that altered the face of Europe in the sixteenth century encompassing not only issues of church polity and theology but also developments in politics economics demographics art and literature This broadly cast interdisciplinary definition allows for a comprehensive social and intellectual history of early modern Europe *The Nineteenth Century and After* ,1888 *Aufstieg und Niedergang der römischen Welt* Hildegard Temporini, Wolfgang Haase, 1982 *Begone, Satan!* Our Sunday Visitor Inc, 1974 If you use a computer for study or research you owe it to yourself to install the Catechism CD ROM version available in English Spanish and French Diskette versions only in English **The Anthropology of Christianity** Fenella Cannell, 2006-11-07 Ethnographies exploring the vastly different ways that Christianity is experienced and understood by

different groups around the world

Missiology ,1974 An international review

The Skeptical Inquirer ,2001
