Possible Dream:

The Wisdom of Your Dreams Jeremy Taylor, 2009-10-15 Discover how the hidden messages in your dreams can change your life A renowned expert on the subject of dreams Jeremy Taylor has studied dreams and has worked with thousands of people both individually and in dream groups for more than forty years His discoveries show us how dreams can be the keys to gaining insight into our past and our conflicts as well as excursions into the fantastic realm of creative inspiration An expanded and updated edition of his classic guide to understanding your dreams Where People Fly and Water Runs Uphill The Wisdom of Your Dreams provides readers with specific hands on techniques to help them remember and interpret their dreams establish a dream group and learn the universal symbolism of dreaming Full of case histories and featuring a revised introduction by the author and a new chapter about dreams as clues to the evolution of consciousness this is a life changing and potentially world changing work The Interwoven Sources of Dreams Umberto Barcaro, 2018-03-29 The subject of this book is the study of dreaming from a specific point of view one that provides useful and enlightening results the analysis of the complex patterns of links among the memory sources of dreams. The significance of these patterns is logical and emotional at the same time This approach is interdisciplinary it directly involves the fields of psychology psychotherapy linguistics computer science mathematics graph theory history of psychology literature and motion pictures However no specific advanced expertise in any of these fields is required for understanding the various contents. The book is divided into three parts Part 1 is dedicated to theories and methodologies regarding dream functions and dream interpretations these theories and methodologies are considered in the perspective of their implications for the study of links among dream sources Some meaningful examples of dreams or metaphors or dreams that can be found in poetry or motion pictures are also considered Dare to Be Great: Overcoming Life's Challenges on Your Way to the Top!
