Postnationalist Ireland Richard Kearney,1997 In *Postnationalist Ireland* Richard Kearney challenges received ideas regarding sovereignty and the nation state in an attempt to rethink definitions of Ireland Literary visions of multicultural Ireland Pilar Villar-Argaiz,2016-05-16 Now available in paperback this pioneering collection of essays deals with the topic of how Irish literature responds to the presence of non Irish immigrants in Celtic Tiger and post Celtic Tiger Ireland The book assembles an international group of 18 leading and prestigious academics in the field of Irish studies from both sides of the Atlantic including Declan Kiberd Anne Fogarty and Maureen T Reddy amongst others Key areas of discussion are what does it mean to be multicultural and what are the implications of this condition for contemporary Irish writers How has literature in Ireland responded to inward migration Have Irish writers reflected in their work either explicitly or implicitly the existence of migrant communities in Ireland If so are elements of Irish traditional culture and community maintained or transformed What is the social and political efficacy of these intercultural artistic visions *Post-Agreement Northern Irish Literature* Birte Heidemann,2016-06-23 This book uncovers a new genre of post Agreement literature consisting of a body of texts fiction poetry and drama by Northern Irish writers who grew up during the Troubles but published their work in the aftermath of the Good Friday Agreement In an attempt to demarcate the literary aesthetic parameters of the genre the book proposes a selective revision of postcolonial theories on liminality through a subset of concepts such as negative liminality liminal suspension and liminal permanence These conceptual interventions as the readings demonstrate help articulate how the Agreement's rhetorical negation of the sectarian past and its aggressive neoliberal campaign towards a progressive future breed new forms of violence that produce liminally suspended subject positions **The Literary Theory Handbook** Gregory Castle,2013-05-21 The *Literary Theory Handbook* introduces students to the history and scope of literary theory showing them how to perform literary analysis and providing a greater understanding of the historical contexts for different theories A new edition of this highly successful text which includes updated and refined chapters and new sections on contemporary theories Far reaching in its inclusion of a detailed history of theory and in depth discussions of major theories and movements Four distinct perspectives on theory historical thematic biographical practical are carefully intertwined so that key concepts terms and ideas are developed in different contexts and cross referenced in the text and in the index Includes alphabetically arranged biographies designed for quick reference and sample readings to illustrate the practical application of theory *Irish Freedom* Richard English,2008-09-04 Richard English's brilliant new book now available in paperback is a compelling narrative history of Irish nationalism in which events are not merely recounted but analysed Full of rich detail drawn from years of original research and also from the extensive specialist literature on the subject it offers explanations of why Irish nationalists have believed and acted as they have why their ideas and strategies have changed over time and what effect Irish nationalism has had in shaping modern Ireland It takes us from the Ulster Plantation to Home Rule

from the Famine of 1847 to the Hunger Strikes of the 1970s from Parnell to Pearse from Wolfe Tone to Gerry Adams from the bitter struggle of the Civil War to the uneasy peace of the early twenty first century Is it imaginable that Ireland might as some have suggested be about to enter a post nationalist period Or will Irish nationalism remain a defining force on the island in future years a courageous and successful attempt to synthesise the entire story between two covers for the neophyte and for the exhausted specialist alike Tom Garvin Irish Times **Forthcoming Books** Rose Army,1997-12 The Failure of the Northern Ireland Peace Process Gary Peatling,2004 This book is a surprisingly broad study of the Northern Ireland conflict and peace process with an unusual and contentious hypothesis though one ultimately likely to prove useful even to those who disagree with it The book is influenced by a sense of the interlacing nature of political groups and dynamics in Northern Ireland which evinces understanding of though not empathy with even mutually exclusive positions in a way few writers on the Northern question draw out This sense that even groups often portrayed as intransigent find a constituency in Northern Ireland based upon the lived experience of groups and communities is underpinned by the book's view of identity and its consequences The book also addresses much discussed wider controversies such as debates surrounding immigration terrorism and September 11th and national identity It addresses these issues with unorthodox conclusions and it is guaranteed to be of interest to intelligent non specialists as well as to academics and policy makers

Examining Irish Nationalism in the Context of Literature, Culture and Religion Eugene O'Brien,2002 **The Edinburgh Companion to Contemporary Scottish Literature** Berthold Schoene-Harwood,2007 This title examines the ways in which the cultural and political role of Scottish writing has changed since the country's successful referendum on national self rule in 1997 *The Current Debate about the Irish Literary Canon* Helen Thompson,2006 Intended as a response to the publication *The Field Day Anthology of Irish Writing* in 1991 this collection of essays examines the canonical status of writers such as Joyce Yeats and Beckett how postcolonial theory and criticism have reshaped the boundaries of Irish Studies and how women's writing has challenged canonicity as a concept **The Saturday Review of Politics, Literature, Science and Art** ,1892 **Victoria's Ireland?** Peter Gray,2004 This collection of interdisciplinary essays focuses on the articulation and interplay of Irish and British identities during the Victorian period in Ireland Great Britain and beyond To some commentators inherently antagonistic to others potentially complementary Irishness and Britishness were described and contested with increasing intensity throughout the long period of Victoria's reign These essays utilize a range of themes to throw light on the complexities of that relationship including the Victorian monarchy's attitude towards Ireland and Irish reactions to it debates about Irish difference and integration and varied constructions of Ireland's place in the imperial world order It gives particular attention to the Famine as a rupturing force in Victorian Irish British relations and to attempts made to contain this cleavage in literature economic theory and policy **The Ulster Literary Theatre and the Northern Revival** Eugene McNulty,2008 This is the first book length study dedicated to the Ulster Literary Theatre Officially

established in 1904 the same year as Dublin's Abbey Theatre this Belfast nationalist theatre has long awaited a full reassessment of its role in the development of a specifically Irish Drama The Ulster Literary Theatre was considered by many contemporaries to be the equal of the Abbey Theatre certainly in terms of energy output and nationalist commitment In the first decade of its existence this Belfast company produced a number of significant and exciting works including the early efforts of Rutherford Mayne and the extraordinary burlesques of Gerald MacNamara In so doing it provided a key forum in which Ulster's cultural politics could be explored and performed Drawing particularly on the northern group's early history Eugene McNulty explores this intriguing performance history of Belfast's own nationalist theatre In the course of this study a number of key issues are re-examined the Ulster Literary Theatre's relationship with the Abbey Theatre Ulster's role in the Irish Literary Revival the interaction between northern cultural nationalism and an evolving Ulster Unionist politics In all of this McNulty argues for a reassessment of the politics of the Revival and insists upon the importance of a northern revival and its significance for a fuller understanding of this crucial period in Irish history The British National Bibliography Arthur James Wells,1998 *Subject Guide to Books in Print* ,1996 **That Other World** Princess Grace Irish Library. International Conference,1998 **American Book Publishing Record** ,1999 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1891 *Moving beyond nativism* Elmar Singer,2002 Man sagt jeder zweite Ire habe ein fertiges Romanmanuskript in der Schublade liegen und doch blieb im 20. Jahrhundert vieles unerzählt *Moving Beyond Nativism* untersucht den Zusammenhang zwischen literarischem und gesellschaftlichem Diskurs in Irland zwischen 1890 und 1990 Die Studie zeigt wie nach der Unabhängigkeit und James Joyces *Ulysses* von 1922 in beiden Diskursen nur noch bestimmte Wahrheiten kursieren konnten Prozesse postkolonialer Selbstfindung und kultureller Abschottung führten bis 1990 zu einer starken Konventionalisierung in der Erzählliteratur Seit 1990 lässt sich jedoch in der kulturellen Debatte ein Umbruch beobachten der sich auch in der Erzählliteratur und den Werken von Joseph O'Connor Colm Tóibín Roddy Doyle Robert McLiam Wilson und vielen anderen Autoren niederschlägt und vorangetrieben wird **Patrick Kavanagh** Stan Smith,2009 Patrick Kavanagh has for long represented an alternative version of Irish poetry to the high falutin melodrama and rhetoric of W.B. Yeats This collection of newly commissioned essays by a range of established and younger scholars re-examines his reputation in the light of recent thinking about Irish literature and the Ireland of his day in addition to authoritative historically situated accounts of the whole body of his work in prose and verse individual studies consider his place in the pastoral tradition his stylistic experimentation and debt to both popular and high intellectual traditions his vision of rural and urban Ireland in the wake of independence his reactions to contemporary political and social developments and his continuing significance for present day writers and readers This volume offers a definitive account for the general reader as well as the student of Irish literature and history of a writer whose reputation has continued to grow in the half century since his death It will prove indispensable for anyone wishing to understand not only the work of this uniquely original writer

but the Ireland in which he grew up and which his writing helped to define BOOK JACKET
