The Post-Colonial States of South Asia Amita Shastri,A. Jeyaratnam Wilson,2013-01-11 This text discusses the principal political and constitutional questions that have arisen in the states of Bangladesh India Pakistan and Sri Lanka following fifty years of independence In Sri Lanka the pressing problems have been around the inter ethnic civil war experiments with constitutional designs widespread prevalence of corruption and the recrudescence of Buddhist militancy In India it has been corruption Hindu nationalism and general political instability In Bangladesh and Pakistan it has been the role of the military the state and religion A general theme is an analysis of the malaise that is prevalent and how and why this was inherited despite the colonial legacy of parliamentary democracy the steel framework of a trained bureaucracy the independence of the judiciary and the rule of law

Routledge Handbook of South Asian Politics Paul R. Brass, 2010-04-30 The Routledge Handbook of South Asian Politics examines key issues in politics of the five independent states of the South Asian region India Pakistan Bangladesh Sri Lanka and Nepal Written by experts in their respective areas this Handbook introduces the reader to the politics of South Asia by presenting the prevailing agreements and disagreements in the literature In the first two sections the Handbook provides a comprehensive introduction to the modern political history of the states of the region and an overview of the independence movements in the former colonial states The other sections focus on the political changes that have occurred in the postcolonial states since independence as well as the successive political changes in Nepal during the same period and the structure and functioning of the main governmental and non governmental institutions including the structure of the state itself unitary or federal political parties the judiciary and the military Further the contributors explore several aspects of the political process and political and economic change especially issues of pluralism and national integration political economy corruption and criminalization of politics radical and violent political movements and the international politics of the region as a whole This unique reference work provides a comprehensive survey of the state of the field and is an invaluable resource for students and academics interested in South Asian Studies South Asian Politics Comparative Politics and International Relations

India's Spatial Imaginations of South Asia Shibashis Chatterjee, 2018-12-14 Since India attained independence its foreign policy discourse has imagined its South Asian neighbourhood through the politics of realism This imagination explicates state interest in South Asia by establishing it as a space of sovereign territoriality Even today India's foreign and security policies are primarily shaped by geopolitical centrism and remain unaffected by economic prosperity and community concerns As a part of the Oxford International Relations in South Asia series this volume examines alternative conceptions of South Asian space in terms of geo economics and community and justifies why they have been unable to replace its dominant understanding irrespective of the political regime This volume probes reasons behind the relevance of differentiated cartography of territorial nationalism in our shared understanding of space politics society and the community

Sri Lanka, Human Rights and the United Nations Tamil Venthana Ananthavinayagan, 2019-04-30 This book examines the engagement between the United Nations human rights machinery and the respective governments since Sri Lanka then Ceylon joined the United Nations Sri Lanka has a long and rich history of engagement with international human rights instruments However despite its active membership in the UN the country's post colonial trials and tribulations are emblematic of the limited influence the international organisation has exerted on this country in the Global South Assessing the impact of this international engagement on the country's human rights infrastructure and situation the book outlines Sri Lanka's colonial and post colonial development It then considers the development of a domestic human rights infrastructure in the country It also examines and analyzes Sri Lanka's engagement with the UN's treaty based and charter based human rights bodies before offering conclusions concerning the impact of said engagement The book offers an innovative approach

to gauging the impact of international human rights engagement while also taking into account the colonial and post colonial imperatives that have partly dictated governmental behaviour By doing so the book seeks to combine and analyse international human rights law post colonial critique studies on biopower and critical approaches to international law It will be a useful resource not only for scholars of international law but also for practitioners and activists working in this area

The Post-Colonial State in the Era of Capitalist Globalization Tariq Amin-Khan, 2012-03-12 State formation in post colonial societies differed greatly from the formation of the Western capitalist state The latter has been extensively studied while a coherent grasp of the post colonial state has remained elusive Amin Khan provides a critical historical and contemporary understanding of post colonial state formations in Asia and Africa and suggests how this process differed from the formation of states in Latin America In distinguishing between the post colonial state and the Western capitalist state the author argues that the unitary colonial state left a strong legacy on the decolonized states of Asia and Africa reinscribing their subordination vis vis Western states transnational corporations and multilateral institutions The indigenous elites decision at the time of decolonization to retain colonial state structures meant the readaptation of capitalism imperialism nexus to suit new post colonial realities which enabled the formation of clientelist relationships This post colonial reality and exploration of the contemporary context provides the basis of analyzing two post colonial state forms the capitalist and proto capitalist varieties which are examined using the case studies of India and Pakistan

South Asia, Dynamics of Politics, Economy, & Security Kulwant Kaur, Baljit S. Mann, 2006 South Asia has witnessed cataclysmic changes in internal and external politics which have initiated the process of political economic and social transformation in the region The region is suffering from the syndrome of insecurity Threats to security are not only from within but also from outside the region

Nation-Building and Federalism in Nepal Krishna Hachhethu, 2023-06-08 Nation Building and Federalism in Nepal primarily deals with the presentation and elucidation of identity based federalism a unique concept and a novel form of federalism The most notable source of first hand information was garnered through the

author's involvement in constitution making by proxy as a member of the High Level State Restructuring Recommendation Commission and as a facilitator of several interaction programmes conducted in dialogue form that is dialogues with citizens stakeholders members of the Constituent Assembly office bearers within political parties intra party and leaders across the parties inter party This book therefore discusses these issues and helps provide insights into the politics behind the parties shifting positions on contentious issues related to the constitution at the time of its making understand better the conflicting aspirations from and competing perceptions of restructuring the Nepali state among the people from different ethnic backgrounds and capture the role played by intermediate agencies at a critical time of its constitution making 2006 2015

BISS Journal, 2003 *State of Democracy in South Asia*, 2008 This report seeks to shift the locus of discourse on democracy away from the global North to most of the world It does so by examining democratic experience in South Asia a region marked by poverty illiteracy complex diversities and multiple and overlapping structures of social hierarchy and by daring to ask not just what democracy has done to South Asia but also what South Asia has done to democracy Based on the first ever social scientific survey of political opinions and attitudes across the five countries in the region Bangladesh India Nepal Pakistan and Sri Lanka the report offers a fresh analysis of the promise of democracy for the ordinary people its institutional slippages obstacles in its functioning and its mixed outcomes The report combines public opinion data with expert assessment case studies and dialogue with democracy activists BOOK JACKET **International Journal of Punjab Studies**, 2001 **Nationalism, Democracy, and Development** Sugata Bose, Ayesha Jalal, 1997 Delineates The Structural And Ideological Aspects Of The Late Colonial And Post Colonial State In India Examines Binrnnynnnn Opposition Between Secular Nationalism And Religious Communalism The Essays Attempt A Move Towards Offering Alternative Theories Of The State 8 Essays 2 Indexes Well Known Contributors **Globalization and Politics in India** Baldev Raj Nayar, 2007 Contributed articles on the consequences of globalization and the associated process of economic liberalization in India American Book Publishing Record, 2000-07 **Changing Paths** Peter P.
