Pouring New Wine Into Old Wineskins How To Change A Church Without Destroying It:

Pouring New Wine Into Old Wineskins Aubrey Malphurs,1993 **The Surprising Return of the Neighborhood Church** Sam Rainer,2023-09-05 Opportunity Lies Right Down the Road There s hope for your church Respected church expert Sam Rainer envisions an exciting new wave of revitalized neighborhood churches that are growing and thriving In the not so distant past churches tended to relocate away from their neighborhoods and build large campuses at major intersections At the turn of the 21st century a dramatic shift occurred A new generation began looking to neighborhood churches to foster life giving friendships provide opportunities for service and create a community dedicated to worshipping God Sam Rainer describes this movement and answers the most common questions about this surprising new phenomenon What are the marks of a healthy neighborhood church What are the most common myths about the neighborhood church What are the obstacles to church growth What are the best strategies to reach your neighbors The neighborhood church is primed for a comeback The potential is huge God wants to do incredible things Are you ready **In Dying We Are Born** Peter Bush,2007-12-03 Deeply ingrained in Western culture and in the minds of most church leaders is the belief that there is a solution to every problem Peter bush offers a powerful challenge to this approach arguing that for new life energy and passion to arise in congregations they must die die to one way of being the church in order that a new way may rise Bush identifies two types of dying congregations Some congregations need to close their doors bringing to an end years of ministry Other congregations need to dramatically change their culture and ways of doing ministry Such change may not entail literally closing the congregation s doors but it will require people giving up deeply held understandings of the life and purpose of the congregation All congregations Bush contends even ones that see themselves as healthy need to be prepared to die to take up their cross so God can make them alive A skillful storyteller Bush shows readers why churches must confront their mortality He examines the role of the prophetic leader who proclaims both the congregation s death and its resurrection He explores spiritual practices and the habits of wonder remember and risk taking for congregations that know they are dying or need to die Only by dying Bush says will a congregation find resurrection life given by God who raises the dead to life **Champion Leaders: Pursuing Excellence to Win** Joyce C. Edwards Ph.D.,2017-04-10 Have you ever wondered why some institutions start small and seem to explode within a matter of months While others appear stagnant for the entire time that they are in existence Champion Leaders points to effective leadership and examines the cause Learn how to win at leadership by establishing the right relationships with followers having courage to make tough decisions and having a God inspired vision Seasoned new and aspiring leaders will find answers in Champion Leaders as to how the pursuit of excellence in leadership leads to great advantage Winning is the ultimate result of Champion Leadership Find out how to pursue excellence in all your endeavors and see the hand of God at work in your life **Maximizing Your Effectiveness** Aubrey Malphurs,2006-08 Discover the peaceful satisfaction that comes from living and serving according to your divine
