pointing to economic growth under his leadership yet detractors point out that Modi has been more business friendly than market friendly to the benefit of large industrial corporations and at the cost of great social polarisation In 2002 an anti Muslim pogrom of unparalleled ferocity occurred in Gujarat leading to the biggest number of Muslim deaths since Partition The state s Hindu majority immediately rallied around Modi No serious riot has occurred in Gujarat since but polarisation was key to Modi s strategy there and he has deployed that strategy again and again since he became Prime Minister of India in 2014 For Modi has cultivated a communal image A marketing genius his messaging combines the politics of Hindutva with economic modernisation to the clear appreciation of Gujarat s middle class Christophe Jaffrelot s revealing book shows how Modi s Gujarat served as the laboratory of Modi s India not only in terms of Hindu majoritarianism and national populism but also of caste and class politics
