Poverty And Famines An Essay On Entitlement And Deprivation:

Poverty and Famines Amartya Sen, 1983-01-20 The main focus of this book is on the causation of starvation in general and of famines in particular The author develops the alternative method of analysis the entitlement approach concentrating on ownership and exchange not on food supply The book also provides a general analysis of the characterization and measurement of poverty Various approaches used in economics sociology and political theory are critically examined The predominance of distributional issues including distribution between different occupation groups links up the problem of conceptualizing poverty with that of analyzing starvation

Poverty and Famines Amartya Kumar Sen, 2009 Poverty and Famines Amartya Kumar Sen, 2013 Poverty and Famines Sen Amartya, 2005 Poverty in the History of Economic Thought Mats Lundahl, Daniel Rauhut, Neelambar Hatti, 2020-12-28 Poverty in the History of Economic Thought From Mercantilism to Neoclassical Economics aims to describe and critically examine how economic thought deals with poverty and the poor including its causes consequences reduction and abolition This edited volume traces the economic ideas of key writers and schools of thought across a significant period ranging from Adam Smith and Malthus through to Wicksell Cassel and Heckscher The chapters relate poverty to income distribution asserting that poverty is not always conceived of in absolute terms and that relative and social deprivation matter also Furthermore the contributors deal with both individual poverty and the poverty of nations in the context of international economy By providing such a thorough exploration this book shows that the approach to poverty differs from economist to economist depending on their particular interests and the main issues related to poverty in each epoch as well as the influence of the intellectual climate that prevailed at the time when the contribution was made This key text is valuable reading for advanced students and researchers of the history of economic thought economic development and the economics of poverty

Economists and Poverty Daniel Rauhut, Neelambar Hatti, Carl-Axel Olsson, 2005 **China's Environmental Crisis: An Enquiry into the Limits of National Development** Vaclav Smil, 2016-09-16 In 1982 Vaclav Smil turned upside down traditional perceptions of China as a green paradise in *The Bad Earth* a disturbing book This new volume drawn on a much broader canvas updates and expands on the basic arguments and perceptions of *The Bad Earth* This book is not a systematic litany of what went wrong and how much but rather an inquiry into the fundamental factors needs prospects and limits of modern Chinese society all seen through the critical environmental constraints and impacts

TAJB, 1987 *The Oxford Handbook of Food History* Jeffrey M. Pilcher, 2012-10-16 Food matters not only as a subject of study in its own right but also as a medium for conveying critical messages about capitalism the environment and social inequality to diverse audiences Recent scholarship on the subject draws from both a pathbreaking body of secondary literature and an inexhaustible wealth of primary sources from ancient Chinese philosophical tracts to McDonald's menus contributing new perspectives to the

historical study of food culture and society and challenging the limits of history itself The Oxford Handbook of Food History places existing works in historiographical context crossing disciplinary chronological and geographic boundaries while also suggesting new routes for future research The twenty seven essays in this book are organized into five sections historiography disciplinary approaches production circulation and consumption of food The first two sections examine the foundations of food history not only in relation to key developments in the discipline of history itself such as the French Annales school and the cultural turn but also in anthropology sociology geography pedagogy and the emerging Critical Nutrition Studies The following three sections sketch various trajectories of food as it travels from farm to table factory to eatery nature to society Each section balances material cultural and intellectual concerns whether juxtaposing questions of agriculture and the environment with the notion of cookbooks as historical documents early human migrations with modern culinary tourism or religious customs with social activism In its vast interdisciplinary scope this handbook brings students and scholars an authoritative guide to a field with fresh insights into one of the most fundamental human concerns

Eine geteilte Welt Wendelin Ettmayer, 2003 Betrachtet man die internationalen Beziehungen zu Beginn des 21. Jahrhunderts so sieht man eine geteilte Welt und das zumindest in dreifacher Hinsicht Die einzelnen Staaten setzen ihre Macht zur Durchsetzung ihrer internationalen Ziele in unterschiedlicher Weise ein Die großen Probleme unserer Zeit Hunger Armut Aids treffen die verschiedenen Länder und Regionen sehr unterschiedlich Schließlich wird auch die Globalisierung die universelle Ausbreitung von Hochtechnologie Wirtschaft und Kultur sehr unterschiedlich gesehen sie bedeutet Hoffnung für die einen die Wurzel vieler Belüß für die anderen In diesem Buch sollen diese Phänomene näher analysiert werden wobei auch dargestellt wird wie diese geteilten Welten nebeneinander existieren

Global Food Politics and Approaches to Sustainable Consumption: Emerging Research and Opportunities Amadi, Luke, Allen, Fidelis, 2019-08-02 Food production and consumption processes are largely governed via control mechanisms that affect food accessibility and environmental efficiency Food resource marginalization inequality and deleterious consumption urgently require new governance and developmental systems that will provide food security and create consumption patterns that protect the natural environment and food resources Global Food Politics and Approaches to Sustainable Consumption Emerging Research and Opportunities is an essential reference source that discusses the challenges and solutions of food security and consumption control Food politics can be linked to persistent challenges of inequitable access food resource inefficiency and control and consumption which form part of the local development realities that can address global sustainable development While highlighting topics such as rural agriculture capitalism and food chain management this publication is ideally designed for policymakers sustainable developers politicians ecologists environmentalists corporate executives farmers and academicians seeking current research on the policies and modalities of food efficiency and equality
