

# At \$15 in 2025, the federal minimum wage would no longer be a poverty wage

Annual wage income for a full-time federal minimum wage worker compared with various poverty thresholds (2021\$), 1968–2025

**Sources:** Authors' calculations of federal minimum wage values (adjusted for inflation using the CPI-U-RS and inflation projections from the Congressional Budget Office 2020), and 2019 weighted average poverty thresholds from U.S. Census Bureau 2020, adjusted to 2021 dollars.

# Poverty And The Minimum Wage

**Bradley R. Schiller**

## **Poverty And The Minimum Wage:**

**Minimum Wages and Social Policy** Wendy V. Cunningham, 2007 Offering evidence from both detailed individual country studies and homogenized statistics across the Latin American and Caribbean region this book examines the impact of the minimum wage on wages employment poverty income distribution and government budgets in the context of a large informal sector and predominantly unskilled workforces Poverty and the Minimum Wage Donald O. Parsons, **Effects of Minimum Wage Policy on Poverty in Argentina** Stefan Legge, 2009-10 Es gibt wenige wirtschaftspolitische Maßnahmen die derart häufig und kontrovers in Politik und Wissenschaft diskutiert werden wie Mindestlöhne Aus Sicht der Befürworter garantieren staatliche Lohnuntergrenzen eine faire Bezahlung und verringern auf diese Weise Armut Die Kritiker von Mindestlöhnen sehen dagegen eine Verschärfung sozialer Probleme durch steigende Arbeitslosigkeit als Folge gesetzlicher Eingriffe in das Lohnsystem einer Marktwirtschaft Die vorliegende Studie vermittelt dem Leser zunächst einen generellen Einblick in das Thema Mindestlohn und präsentiert die allgemeinen Vor und Nachteile gesetzlicher Lohnuntergrenzen Darauf aufbauend werden verschiedene ökonomische Methoden dargestellt mit denen ökonomen versuchen die Effekte von Mindestlöhnen auf Beschäftigung Armut oder beispielsweise Inflation zu messen Dazu zählen neben rein deskriptiven Ansätzen auch zum Beispiel die Difference in Difference Methode Mit diesem theoretischen und ökonomischen Wissen ausgestattet findet der Leser im dritten Teil des Buches eine ausführliche Analyse der Effekte einer aggressiven Mindestlohnpolitik in Argentinien Im untersuchten Zeitraum von 2003 bis 2006 wurde die gesetzliche Lohnuntergrenze in Argentinien von 200 auf 1 240 Pesos erhöht Der Autor untersucht welche Auswirkungen diese drastische Erhöhung auf die Armutsproblematik in Argentinien hatte Vor dem Hintergrund dass auch in Deutschland Mindestlöhne ein regelmäßiges Diskussionsthema sind liefert das vorliegende Buch dem Leser einen sehr guten Einblick in die wissenschaftliche Analyse staatlicher Lohnuntergrenzen Minimum Wages and Poverty J. P. Formby, John A. Bishop, H. Kim, 2005-04-27 This research investigates the impact of three equal cost alternative labour market policies on the economic well being of low income families and society in general at the turn of the 21st century The principal focus is on how changes in the minimum wage Earned Income Tax Credit EITC and payroll taxes influence the well being of low income American families The methods we employ also reveal how much of the benefits from raising the minimum wage increasing the EITC and reducing payroll taxes of workers in low income families accrue to families in the middle and upper ranges of the income distribution Thus we consider the entire distribution but focus primary attention on families and persons at or near the bottom of the income distribution The research reported in this book has three distinguishing features First it examines and compares changes in the minimum wage the EITC and payroll taxes using a common analytical framework There is considerable discussion of the impacts of raising the minimum wage and increasing EITC payments The research reported here places these two policies in an equivalent social cost framework and analyses the distributional consequences of each policy In

addition we use the same equivalent cost paradigm to investigate an alternative policy that rebates a portion of the payroll taxes paid by workers in low income families A second distinguishing feature of the research is that it incorporates important insights from the poverty and income distribution literature into the analysis of labour market policies and family well being This literature suggests that any evaluation of success or failure of poverty fighting policies that increase the minimum wage expand the EITC or reduce payroll taxes requires that the poor population be properly identified and poverty measured using distribution sensitive measures of poverty and not simple headcounts of the poor Further it is important to check for the sensitivity of any conclusions about the policy choices to alternative poverty lines A third distinguishing feature of the research is that we use important developments in the applied welfare economics of income distribution to address the key question Which policy alternative is best

**Would an Increase in the Federal Minimum Wage Help Or Hinder Small Business?** United States. Congress. House. Committee on Small Business. Subcommittee on Workforce, Empowerment, and Government Programs,2004 **Focus on Poverty** Ralph V. Brenos,2006 It has been said that the poor will always be with us But that does not mean we are obliged to ignore squalor Concern about poverty stretches across national borders from the third world to the street corners of Manhattan whether one believes the poor are victims of their own shortcomings or of poor public policy the impoverished cannot be ignored This book collects a set of essays exploring the unavoidable issue of poverty A broad array of scholars present studies and opinions about where the poor come from and what we can do to help them including such questions as gender inequality and poverty minimum wages and development and its impact on poverty

**Hearings on H.R. 1834, the Minimum Wage Restoration Act of 1987** United States. Congress. House. Committee on Education and Labor. Subcommittee on Labor Standards,1987 *Minimum Wage-hour Amendments, 1965* United States. Congress. House. Committee on Education and Labor,1965 **The Minimum Wage** Deepak Lal,1995 CONTENTS Introduction Poverty Alleviation Efficiency Conclusions Summary [Economics, Politics and Social Issues in Latin America](#)

Mary P. Lassiter,2007 Latin America is a diverse group countries with extremely diverse economies and political dynamics Some are heavy in poverty and others are booming with petrodollars They speak Spanish Portuguese and French This book brings together analyses detailing crucial issues at the beginning of the 21st century **The Right to a Living Wage** Matt Uhler,2017-07-15 With the disappearance of well paying jobs and the increasing cost of living it s becoming more and more difficult to stay afloat in the United States Workers who earn the minimum wage often can t afford the most basic needs In response more than 100 U S cities have issued living wage ordinances requiring payments that allow workers to afford food clothing shelter utilities and healthcare It may seem obvious that everyone wins with a living wage But does paying out a living wage help or harm the economy Should corporations be forced to pay them What is society s responsibility to its workers

**The Minimum Wage, Its Relationship to Incomes and Poverty** Ralph Ely Smith,Bruce Vavrichek,1986

**Living Wage Movements** Deborah M. Figart,2004-07-31 Living wage activism has spanned time and space reaching

across decades and national boundaries Conditions generating living wage movements early in the twentieth century have resurfaced in the twenty first century only on a global scale sweated labour macroeconomic instability and job insecurity Upon reviewing the empirical evidence the book s contributors make strong cases both for and against living wage activism The effective blend of historical contemporary and global perspectives provides opportunities for teachers scholars and activists to evaluate how we can address low pay at the organizational and macroeconomic levels

**Is Minimum Wage an Effective Tool to Promote Decent Work and Reduce Poverty?** Catherine Saget,2001 **Minimum Wage-hour Amendments, 1965** United States. Congress. House. Committee on Education and Labor. General Subcommittee on Labor,1965 **Poverty and the Minimum Wage** Donald O. Parsons,1980 Monograph commenting on effects of minimum wage labour legislation on woman worker wage rates and poverty reduction in the USA based on national level longitudinal surveys analyses female wage trends from 1967 to 1976 by race and industry Graphs references and statistical tables

*The Economics of Poverty and Discrimination* Bradley R. Schiller,1998 Emphasizing the complex economic social and political factors that create poverty and make its eradication so difficult this book provides a broad overview of the dimensions of poverty and discrimination the various explanations for these social ills and the policy options for addressing them

*Minimum Wages and Poverty in Developing Countries* Nora Lustig,1996 Examines the relationship between minimum wages and poverty

*Poverty, Prosperity, and the Minimum Wage* Avery Elizabeth Hurt,2021-12-15 Anthology of diverse viewpoints exploring stagnating wages in the United States and how an increase to the federal minimum wage would affect workers and the economy

*The Fundamentals of Minimum Wage Fixing* François Eyraud,Catherine Saget,2005 This manual draws on the ILO s comprehensive database containing the principal legal provisions and minimum wage fixing mechanisms in 100 countries The minimum wage has had a long and turbulent history and this study sheds light on its intricacies by providing a thorough overview of the institutions and practices in different countries It outlines the main topics for debate concerning the effects of minimum wages on major social and economic variables such as employment wage inequality and poverty The book considers the various procedures countries use for implementation including the criteria employed to fix the minimum wage and how they are linked to specific country objectives It then measures the efficiency of the minimum wage and focuses on its impact on employment as a major political issue For the benefit of non specialists the validity of econometric models and their results are examined
