Committee on Appropriations,1947 **Department of the Interior and Related Agencies Appropriations** United States. Congress. Senate. Committee on Appropriations,1947 **Energy Efficiency And Conservation In Mexico** Oscar Guzmán,2019-03-05 In comparing the degree of efficiency in energy production and the uses to which energy resources are allocated in Mexico with those in other countries this book addresses three basic questions What are the major reasons for differences in energy efficiency between industrial economies and a newly industrializing country like Mexico To what extent is energy conservation possible in the Mexican economy And what are the social and economic benefits of more efficient use and conservation of energy in comparison with their costs Using the history and operations of two state owned energy agencies PEMEX and the Federal Electricity Commission as case studies the authors explore the patterns of energy use in all major sectors of the economy and discuss the prospects for energy saving policies between the mid 1980s and the end of the century *Interior Department Appropriation Bill for 1948* United States. Congress. Senate. Committee on Appropriations,1947 **Power** ,1929 *US-China Global Maritime Relations* Nong Hong,2023-12-01 This book explores the U S China maritime relationship examining the development and implementation of the maritime strategies of both the United States and China Delving into the U S China maritime relationship within the global context the book investigates six key maritime regions the South China Sea the Northeast Asia waters the East China Sea the Yellow Sea the Indian Ocean the South Pacific Ocean as well as the Arctic and Antarctic regions Its observations form a comprehensive exploration of these regions and their significance in shaping the dynamics between the two nations and this analysis reveals that an expanded view is necessary to discover and clearly display the role that these maritime regions currently and could potentially play in overarching U S China relations Examining both the ongoing conflicts and opportunities for cooperation in the global maritime domain between the United States and China this book will be a valuable resource to students and scholars of international relations Chinese and U S politics strategic studies and maritime studies
