## **Psychanalysis Its Theories And Practical Application:**

Psychoanalysis: Its Theories and Practical Application A. A. Brill, 2018-02-03 This book is one of the major works by A. A. Brill, one of the foremost authorities in psychoanalysis. A student of Bleuler and disciple of Freud, he was the first to translate several Freud works into English and a few works from Jung. His books, written with wit, simplicity, and sympathy, present both to the layman and the psychology student the most basic understanding of the problems of modern life. Abraham Arden Brill, October 12, 1874 – March 2, 1948, was an Austrian-born psychiatrist who spent almost his entire adult life in the United States. He was the first psychoanalyst to practice in the United States and the first translator of Freud into English.
