Fear in Early Modern Society William G. Naphy,Penny Roberts,1997-11-15

Plagues poisons and potions highlights one of the most fascinating aspects of the history of early modern plague In the sixteenth and seventeenth centuries outbreaks of plague in and around the ancient Duchy of Savoy led to the arrests of many people who were accused of conspiring to spread the disease Those implicated in the conspiracies were usually poor female migrants working in the plague hospitals under the direction of educated professional male barber surgeons These conspirators were subsequently tried for spreading plague among leading and wealthy people from urban areas so that they could rob them while the afflicted homeowners were confined to their beds In order to understand how this phenomenon developed and was regarded at the time this study examines the courts the judiciary and the part played by torture in the trials which frequently concluded with the spectacular and gruesome execution of the suspects The author goes on to consider the socio economic conditions of the workers and in doing so highlights an early modern form of class warfare However what makes this phenomenon especially interesting is that in an age dominated by superstition religious strife and witch hunts the conspiracies were always given a more rational explanation and motivation profit Both teachers and students of early modern history will be fascinated by this enlightening study into the fears of European society the spread of the disease and the judicial procedures of the time *Hans Folz and*

Print Culture in Late Medieval Germany Caroline Huey,2016-04-22 In this study author Caroline Huey analyzes the copious

literary output of medieval poet and barber surgeon Hans Folz in all its variety whether Meisterlied Reimpaarspruch or carnival play Heretofore published research to do with Folz s multifaceted and compelling oeuvre has been fragmentary because scholars have restricted themselves by genre in examining themes in Folz s work By integrating the different themes across Folz s output and by integrating consideration previously neglected by earlier critics of Folz s role as barber surgeon Huey offers new insights as to the interaction of these themes and to the character of the poet s work overall She shows that ultimately Folz is concerned with the circulation of knowledge and power correct and incorrect behavior and above all with finding order In each chapter Huey examines a particular theme from Folz s life and or work She looks at how adeptly he commandeers the new technology of printing to further his own ends how his ubiquitous physicality connects his medical body to his Christian body his attitude toward women and the anti Jewish thread in his work

University of Toronto,2003 Male Friendship and Testimonies of Love in Shakespeare's England Will Tosh,2016-04-23

Male Friendship and Testimonies of Love in Shakespeare's England reveals the complex and unfamiliar forms of friendship that existed between men in the late sixteenth century Using the unpublished letter archive of the Elizabethan spy Anthony Bacon 1558 1601 it shows how Bacon negotiated a path through life that relied on the support of his friends rather than the advantages and status that came with marriage Through a set of case studies focusing on the Inns of Court the prison the aristocratic great house and the spiritual connection between young and ardent Protestants this book argues that the friendship spaces of early modern England permitted the expression of male same sex intimacy to a greater extent than has previously been acknowledged *Tangible Religion* Ria Berg,Antonella Coralini,Anu Kaisa Koponen,Reima Välimäki,2021

Cooper,Andrea Denny-Brown,2016-12-05 The Arma Christi the cluster of objects associated with Christ's Passion was one of the most familiar iconographic devices of European medieval and early modern culture From the weapons used to torment and sacrifice the body of Christ sprang a reliquary tradition that produced active and contemplative devotional practices complex literary narratives intense lyric poems striking visual images and innovative
