Religious Sonnets Of Dylan Thomas:

The Religious Sonnets of Dylan Thomas Hyman H. Kleinman, 1963 *The Religious Sonnets of Dylan Thomas*
Hyman Harold Kleinman, 1950 *The Religious Sonnets of Dylan Thomas* Hyman H. Kleinman, 1963 **Dylan Thomas**
Rushworth M. Kidder, 2015-03-08 Since the Bible appears so frequently in Dylan Thomas work some critics have decided that he must be a religious poet Others noting blasphemous statements and certain irreligious aspects of Thomas personal life contend that he was no such thing Rushworth M Kidder investigating this problem looks below the surface of the obviously religious imagery and discovers a more profound poetry The first part of this book discusses the nature of religious poetry and the application of that term to Thomas work it then develops the necessary background based on his letters and prose comments to provide a foundation for the study and finally it examines the relationship between the religious aspects of his poetry and his well known ambiguity The author re defines the vocabulary for dealing with religious imagery by establishing three distinct categories of imagery referential allusive and thematic This original technique is used to examine critically Thomas poems to show the development of his religious and poetic thought There are numerous close sensitive readings of individual poems to show how his poetry like the Bible teaches by parable speaking deliberate ambiguity rather than simple dogma This strategy inspired poetry that is technically complex but thematically simple a mode of verse that became more explicitly religious in the poet s final years Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Religious Sonnets of Dylan Thomas* Hyman H. Kleinman, 1963 *An Explication of the Religious Sonnets of Dylan Thomas* Thomas Walter LaFleur, 1987 **The Religious Sonnets of Dylan Thomas** Alfred J. Kloeckner, David Kiviat, George Bela Kish, Hyman H. Kleinman, Lewis M. Knebel, Loma Knighten, Robert W. L. Kleiner, William Kluback, 1949 **Religious Experience in Modern Poetry** Ewa Panecka, 2019-10-17 This study on religious experience in modern poetry features innovatory and accessible close readings of some of the most beloved authors of English verse In today s seemingly secular age religion still remains a highly contested subject The selection of texts analysed here is representative of a wide spectrum of attitudes including a sharply critical refusal to acknowledge Christianity as the basis of civilization Some poets see national religion as a framework for cultural identity while others worship nature as the omnipotent Force of Life trying to create their own gods Rather than reducing poetry to a background for philosophical analysis or theological deliberation this book presents diverse modes of the poetic endeavor to capture and convey the divine The chapters provide a range of perspectives on individual experience rendered into poetry as a subtle relationship between faith perception and language

The text will be of interest to anyone looking for new ways of reading poetry as a spiritual quest **Understanding Nietzsche, Understanding Modernism** Brian Pines, Douglas Burnham, 2019-02-21 Friedrich Nietzsche believed his own work represented the dawning of a new historical era and despite the fact that he lived most of his sane life suffering in obscurity it is not an exaggeration to say that his vision helped lay the foundations for modernism in style substance and attitude Nietzsche was himself devoted to the modern for he reinterpreted every philosophy every historical figure and event every movement that came before him This reconceptualization of the past through new modern eyes opened up Nietzsche s thinking to exploring daring possibilities for the future This prophetic boldness which is so unique to his style seduced the modernist generation across the spectrum He was read by early Zionists as well as by Nazi racial theorists by Thomas Mann and as well as by Salvador Dali His influence stretched from psychoanalysis to anarchist politics Understanding Nietzsche Understanding Modernism traces the effect of Nietzsche s thinking upon a diverse set of problems from ontology to politics to musical and literary aesthetics The first section of the volume is a series of essays each exploring a major work of Nietzsche s explaining its significance while contributing new interpretations of the text The middle portion connects Nietzsche s thought to the various strands of modernism in which it reveals itself The final section is a glossary of key terms that Nietzsche uses throughout his works An excellent resource for any scholar attempting to conceptualize the foundations of modernism or the historical importance of Nietzsche this volume seeks to outline the philosopher s works and their reception amongst the generations that immediately followed his passing **Englische Dichter der Moderne** Rudolf Sühnel, Dieter Riesner, 1971 *The Philosophy and Practice of Medicine and Bioethics* Barbara Maier, Warren A. Shibles, 2010-11-03 This book challenges the unchallenged methods in medicine such as evidence based medicine which claim to be but often are not scientific It completes medical care by adding the comprehensive humanistic perspectives and philosophy of medicine No specific or absolute recommendations are given regarding medical treatment moral approaches or legal advice Given rather is discussion about each issue involved and the strongest arguments indicated Each argument is subject to further critical analysis This is the same position as with any philosophical medical or scientific view The argument that decision making in medicine is inadequate unless grounded on a philosophy of medicine is not meant to include all of philosophy and every philosopher On the contrary it includes only sound practical and humanistic philosophy and philosophers who are creative and critical thinkers and who have concerned themselves with the topics relevant to medicine These would be those philosophers who engage in practical philosophy such as the pragmatists humanists naturalists and ordinary language philosophers A new definition of our own philosophy of life emerges and it is necessary to have one Good lifestyle no longer means just abstaining from cigarettes alcohol and getting exercise It also means living a holistic life which includes all of one s thinking personality and actions This book also includes new ways of thinking In this regard the Metaphorical Method is explained used and exemplified in depth for example in the chapters on care egoism and altruism

letting die etc **Religious Dimension of Twentieth Century British and American Literature** James L.

Lucas,1982-01-20 **Twentieth-century Literary Criticism** Gale Research Company,1992 Excerpts from criticism of the works of novelists poets playwrights and other creative writers 1900 1960 **Dylan Thomas** George Sutherland

Fraser,1972 When Dylan Thomas died in New York in 1953 he was at the height of his fame His Collected Poems had already enjoyed great success and he had shown exceptional gifts as broadcaster entertainer conversationalist and story teller Since his death argument about his work has continued and the response to Under Milk Wood has shown how alive general interest remains This affectionate portrayal of life in a Welsh village originally written for broadcasting has enjoyed wide success on stage and television Mr G S Fraser who will be remembered particularly for his study of W B Yeats in this Series has written a highly personal study of Dylan Thomas s poetry It will be of value to all who wish both to understand his impact on contemporaries and to assess his place in literature **The Gestalts of Mind and Text** Chanita Goodblatt,Joseph

Glicksohn,2022-05-12 The Gestalts of Mind and Text bridges literary studies and cognitive psychology to provide a unique contribution to the field of Cognitive Literary Studies The book presents an investigation of metaphor in poetic texts adopting and developing empirical methods used by Gestalt Psychology while integrating concepts informed by Gestalt Psychology The title indicates an intellectual tradition to be termed the Gestalt of the Mind that begins with the W rzburg School of Psychology and its subsequent development into Gestalt Psychology which provides a rich heritage for the field of Cognitive Literary Studies The title further indicates an intellectual and creative tradition to be termed the Gestalt of the Text applied to various literary schools Medieval Early Modern Modernist Finally the Gestalt Interaction Theory of Metaphor delineates the potentialities for different types of readings of poetic metaphor This book further makes three significant contributions the first is the focus on the empirical investigation of metaphor in poetic texts the second is the integration of the aspects of problem solving bidirectionality of metaphor embodied cognition and the grotesque in analyzing poetic texts and verbal protocols and the third is the focus on various literary traditions spanning languages and periods The goal of this book is to present an interdisciplinary study of the Gestalts of Mind and Text This will be of interest to a varied audience including cognitive psychologists literary scholars researchers in aesthetics scholars of metaphor and those with an interest in intellectual history **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George

Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries Critical Survey of Poetry:

Southwell Frank Northen Magill, 1992 Vol 8 includes guidelines to poetry explication *Literatur in Wissenschaft und Unterricht* Paul Gerhard Buchloh, 1991 Poetry Jayne E. Marek, 1998 Die englische Lyrik Karl Heinz Göller, 1968
