Summer's Promise Irene Brand, 2011-10-17 TO EVERYTHING THERE IS A SEASON Rural North Carolina was the last place military man David Brown ever expected to call home Brought here by tragedy he now shared guardianship of his niece and nephew with a woman he'd never dreamed would share his home or his attraction Wall Street banker Summer Weaver had never asked God for anything Now she prayed for strength to care for her sister's orphaned children and found herself leaning on their uncle for support Summer never imagined that footloose David could ever become so steadfast or that she'd be willing to give up everything that had seemed important for something that mattered far more

Jewish Women Remembering Their Bodies L. Ariella Zeller, 2001 *Travels in Paradox* Claudio Minca, Tim Oakes, 2006-03-30 This innovative volume focuses on tourism through the twin lenses of cultural theory and cultural geography Presenting a set of innovative case studies on tourist destinations around the world the contributors explore the paradoxes of the tourist experience and the implications of these paradoxes for our broader understanding of the problems of modernity and identity The book examines how tourism reveals the paradoxical ways that places are both mobile and rooted real and fake inhabited by those who are simultaneously insiders and outsiders and both subjectively experienced and objectively viewed The concepts of travel and mobility long have been used to explain modern identity and social behavior but this work pushes beyond the established literature by considering the ways that place and mobility are inherently related in unexpected even contradictory ways Travel the international cast of authors contends occurs in place rather than between

places Thus instead of offering yet another interpretation of the ways modern societies are distinguished by their mobilities in contrast to the supposed place bound quality of traditional societies the chapters here collectively argue for an understanding of modern identity as simultaneously grounded and mobile This rich blend of empirical and theoretical analysis will be invaluable for cultural geographers anthropologists and sociologists of tourism *Memory, what it is and how to Improve it* David Kay,1888 **Coming Full Circle** RKR,2011-04-15 Coming Full Circle is a culmination of more than twenty five years of literary incubation Drawing inspiration from within as well as from others life experiences and observing the natural world This work attempts to create it s own ecology creating lasting impressions upon its readers Having traveled and read widely this poetry is an interactive blend of factual science and subjective fiction tossed in an emotional salad bowl for all to experience and hopefully enjoy **Holiday Entertainments** M.
