

Shakespeare's Darker Purpose

A QUESTION OF INCEST

Mark Taylor

Shakespeares Darker Purpose A Question Of Incest

Peter Holland

Shakespeares Darker Purpose A Question Of Incest:

Shakespeare's Darker Purpose Mark Taylor, 1982 Familiengeheimnisse Dagmar von Hoff, 2003 In einer Zeit in der sich Familienverbände auflösen und die Konstellation Vater Mutter Kind als ein kontinuierlicher Lebenszusammenhang nicht mehr selbstverständlich ist kann sich das Thema Inzest in einer erstaunlichen Weise behaupten Denn die Familie mit ihren Geheimnissen Verirrungen und Bekenntnissen spielt erneut eine grosse Rolle in Literatur und Film Das Inzestthema ist nicht nur als skandalträchtiges Motiv präsent sondern auch als ein erzählerisches Modell für sprachliche und visuelle Strategien der Tabuisierung und Mythisierung Die Autorin entwickelt einen neuartigen Zugang zur Literaturgeschichte nach 1945 indem sie sich der Inzestthematik philosophisch ethnologisch und literaturwissenschaftlich nähert Dabei fällt für die deutschsprachige Literatur auf dass inzestuöse Familiengeschichten politische Diskurse verdecken die nach 1945 auf das Trauma des Nationalsozialismus zurückverweisen Je nach Autor und Kontext wird Inzest zum Sinnbild für Dekadenz und Schrecken aber auch für Schöpfung und Hoffnung Shakespeare's Tempest and Capitalism Helen Scott, 2019-09-12 In this forceful study Helen C Scott situates *The Tempest* within Marxist analyses of the primitive accumulation of capital which she suggests help explain the play's continued and particular resonance The storm of the title refers both to Shakespeare's *Tempest* hurtling through time and to Walter Benjamin's concept of history as a succession of violent catastrophes Scott begins with an account of the global processes of dispossession of the peasantry and indigenous populations accompanying the emergence of capitalism which generated new class relationships new understandings of human subjectivity and new forms of oppression around race gender and disability Developing a detailed reading of the play at its moment of production in the business of theatre in 1611 Scott then moves gracefully through the global reception history showing how its central thematic concerns and figurative patterns bespeak the upheavals and dispossessions of successive stages of capitalist development Paying particular attention to moments of social crisis and unearthing a radical political tradition Scott follows the play from its hostile takeover in the Restoration through its revival by the Romantics and consolidation and contestation in the nineteenth century In the twentieth century transatlantic modernism generated an acutely dystopic *Tempest* then during the global transformations of the 1960s postcolonial writers permanently associated it with decolonization At century's end the play became a vehicle for exploring intersectional oppression and the remarkable Sycorax school featured iconoclastic readings by writers such as Abena Busia May Joseph and Sylvia Wynter Turning to both popular culture and high profile stage productions in the twenty first century Scott explores the ramifications and figurative potential of Shakespeare's *Tempest* for global social and ecological crises today Sensitive to the play's original concerns and informed by recent scholarship on performance and reception history as well as disability studies Scott's moving analysis impels readers towards a fresh understanding of sea change and metamorphosis as potent symbols for the literal and figurative tempests of capitalism's old age now threatening the great globe itself **Shakespeare** Kiernan Ryan, 2014-06-11 This is the first

collection of criticism on Shakespeare's romances to register the impact of modern literary theory on interpretations of these plays Kiernan Ryan brings together the most important recent essays on Pericles Cymbeline The Winter's Tale and The Tempest the greatest of the last plays staging a dynamic debate between feminist poststructuralist psychoanalytic and new historicist views of the masterpieces Shakespeare wrote at the close of his career The book aims not only to anthologise accounts of the last plays by leading Shakespearean critics including Stephen Greenblatt Janet Adelman Leah Marcus Howard Felperin and Steven Mullaney but also to dramatise what is at stake in the choice of a particular critical approach It allows the student to compare the strengths and limitations of a deconstructive and a feminist reading of the same romance or to test the plausibility of one psychoanalytic angle on the last plays against another The headnotes that preface the essays highlight their distinctive slants on Shakespearean romance unpack the theoretical assumptions that steer their interpretations and throw into relief the key points at which their authors collide or converge The editor's introduction places the essays in the context of twentieth century criticism of the last plays and makes a powerful case for a fundamental reappraisal of Shakespearean romance The comprehensive fully annotated bibliography provides an unrivalled guide to further reading on all four plays

Making a Match Ann Jennalie Cook, 2014-07-14 *Making a Match* examines the various options posed at every stage of English wooing together with the presentation of these protocols in the plays of Shakespeare Across the canon wooing may command either a casual reference or a central position in the action but no play escapes a connection of some kind Instead of taking a fixed position on an institution intended to stabilize the commonwealth Shakespeare constantly shifts position in a kaleidoscope of caricature criticism acceptance subversion or indifference For general readers and specialists alike this work supplies a rich understanding of the codes so familiar to the playwright and his audience an understanding essential for an appreciation of the subtleties of his art Delving into primary sources social history demography and literary criticism the author offers the widest possible range of both Renaissance and modern views on the most crucial experience of Elizabethan culture Besides correcting or illuminating the interpretations of Shakespeareans this book offers valuable material for any area of research on the English Renaissance that touches on courtship Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Family Life in the Age of Shakespeare Bruce W. Young, 2008-12-30 From the star crossed romance of Romeo and Juliet to Othello's misguided murder of Desdemona to the betrayal of King Lear by his daughters family life is central to Shakespeare's dramas This book helps students learn about family life in Shakespeare's England and in his plays The book begins with an overview of the roots of Renaissance family life

in the classical era and Middle Ages This is followed by an extended consideration of family life in Elizabethan England The book then explores how Shakespeare treats family life in his plays Later chapters then examine how productions of his plays have treated scenes related to family life and how scholars and critics have responded to family life in his works The volume closes with a bibliography of print and electronic resources The volume begins with a look at the classical and medieval background of family life in the Early Modern era This is followed by a sustained discussion of family life in Shakespeare's world The book then examines issues related to family life across a broad range of Shakespeare's works Later chapters then examine how productions of the plays have treated scenes concerning family life and how scholars and critics have commented on family life in Shakespeare's writings The volume closes with a bibliography of print and electronic resources for student research Students of literature will value this book for its illumination of critical scenes in Shakespeare's works while students in social studies and history courses will appreciate its use of Shakespeare to explore daily life in the Elizabethan age

Shakespeare, the Last Plays Kiernan Ryan, 1999 This is the first new collection of criticism on Shakespeare's romances to appear for 20 years bringing together the most important recent essays on Pericles Cymbeline The Winter's Tale and The Tempest

Shakespeare Survey: Volume 58, Writing about Shakespeare Peter Holland, 2005-11-03 Published with academic researchers and graduate students in mind this volume of the Shakespeare Survey presents a number of contributions on the theme of the play Macbeth

The Woman in the Red Dress Minrose Gwin, 2002 Graceful and impassioned The Woman in the Red Dress offers important new approaches to narratives about father daughter incest as well as stories that contaminate the myth of home as a safe space and map a geography of sexual violence victimization and survival Gwin situates her analysis of fiction such as Morrison's *The Bluest Eye* Alice Walker's *The Color Purple* Dorothy Allison's *Bastard out of Carolina* and Jane Smiley's *A Thousand Acres* within contemporary debates concerning survivor discourse theories of domestic space and issues of race and class She also explores books such as Hulme's *The Bone People* that enter a murky and liminal queer space in which gender itself travels and the most claustrophobic physical and social spaces can unexpectedly unhinge and open
