Фразеологизм и слово в национально-культурном дискурсе Валерий Михайлович Мокиенко, 2008

Elizabethan Society Derek Wilson, 2014-05-15 The reign of Queen Elizabeth I 1558-1603 marked a golden age in English history There was a musical and literary renaissance most famously and enduringly in the form of the plays of Shakespeare 2016 marks the 400th anniversary of Shakespeare's death and it was a period of international expansion and naval triumph over the Spanish It was also a period of internal peace following the violent upheaval of the Protestant reformation Wilson skilfully interweaves the personal histories of a representative selection of twenty or so figures including Nicholas Bacon the Statesman Bess of Hardwick the Landowner Thomas Gresham the Financier John Caius the Doctor John Norreys the Soldier and Nicholas Jennings the Professional Criminal with the major themes of the period to create a vivid and compelling account of life in England in the late sixteenth century This is emphatically not yet another book about what everyday life was like during the Elizabethan Age There are already plenty of studies about what the Elizabethans wore what they ate what houses they lived in and so on This is a book about Elizabethan society people rather than things How did the subjects of Queen Elizabeth I cope with the world in which they had been placed What did they believe What did they think What did they feel How did they react towards one another What indeed did they understand by the word society What did they expect from it What were they prepared to contribute towards it Some were intent on preserving it as it was others were eager to change it For the majority life was a daily struggle for survival against poverty hunger disease and injustice Patronage was the glue that held a strictly hierarchical society together Parliament represented only the interests of the landed class and the urban rich which was why the government's greatest fear was a popular

rebellion Laws were harsh largely to deter people getting together to discuss their grievances Laws kept people in one place and enforced attendance in parish churches In getting to grips with this strange world simultaneously drab and colourful static and expansive traditionalist and modern Wilson explores the lives of individual men and women from all levels of sixteenth century life to give us a vivid feel for what Elizabethan society really was Praise for the author Masterly Wilson has a deep understanding of characters reaching out across the centuries Sunday Times Scores highly in thoroughness clarity and human sympathy Sunday Telegraph This masterly biography breaks new ground Choice Magazine His book is stimulating and authoritative Sunday Times Brilliant endlessly readable vivid immediate history accurate complex and tinged with personality Sunday Herald *Reading the Road, from Shakespeare's Crossways to Bunyan's Highways* Lisa Hopkins,2019-11-01 This book brings together thirteen essays by both established and emerging scholars which examine the most influential meanings of roads in early modern literature and culture **Shakespeare's Common Prayers** Daniel Swift,2012-10-05 In Shakespeare s Common Prayers Daniel Swift makes dazzling and original use of the Book of Common Prayer employing it as an entry point into the works of England s most celebrated writer *The Oxford Handbook of the Age of Shakespeare* R. Malcolm Smuts,2016-06-30 The Oxford Handbook of the Age of Shakespeare presents a broad sampling of current historical scholarship on the period of Shakespeare s career that will assist and stimulate scholars of his poems and plays Rather than merely attempting to summarize the historical background to Shakespeare individual chapters seek to exemplify a wide variety of perspectives and methodologies currently used in historical research on the early modern period that can inform close analysis of literature Different sections examine political history at both the national and local levels relationships between intellectual culture and the early modern political imagination relevant aspects of religious and social history and facets of the histories of architecture the visual arts and music Topics treated include the emergence of an early modern public sphere and its relationship to drama during Shakespeare s lifetime the role of historical narratives in shaping the period s views on the workings of politics attitudes about the role of emotion in social life cultures of honour and shame and the rituals and literary forms through which they found expression crime and murder and visual expressions of ideas of moral disorder and natural monstrosity in printed images as well as garden architecture **Annual Report of the Librarian of Congress for the Fiscal Year Ending September 30, 2006** Library of Congress,2007 [El-Hi Textbooks & Serials in Print, 2005](#) ,2005 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 *Earls of Paradise* Adam Nicolson,2008 A fascinating portrait from award winning author Adam Nicolson of a family a portrait and a quarrel with a king that would tear that family apart **Antiques** ,2005 *The Tudor Tailor* Ninya Mikhaila,Jane Malcolm-Davies,2006 Essential source book for reconstructing clothing 1509 to 1603 [Masonic Standard](#) ,1915 *Forthcoming Books* Rose Army,2004 **Staging Ireland** Stephen O'Neill,2007 This book is a comprehensive study of the representation of Ireland in the plays of Shakespeare and his contemporaries Through a detailed analysis of a range of canonical and less familiar plays

such as The Misfortunes of Arthur Captain Thomas Stukeley Sir John Oldcastle and Dekker's The Honest Whore this book reveals fascinating interconnections between Ireland as it was figured in Elizabethan and early Jacobean drama and contemporaneous political and cultural anxieties about Ireland and Irish alterity Exploring how the stage provided a fluid though licensed space where such anxieties were negotiated and confronted this study questions views of the stage Irishman as a static colonialist stereotype Instead it demonstrates that dramatic representations of Ireland were dynamic heterogeneous and ideologically unstable Opening up Renaissance drama to its multivalent Irish contexts Staging Ireland will appeal to scholars and students of Shakespeare and early modern literature drama and theatre as well as Irish studies

Milwaukee ,1969 **Entertainment Design** ,2005 **Kelly's Directory of Merchants, Manufacturers and Shippers** ,1955 *Florida Fruit and Produce News* ,1926 **Los Angeles Saturday Night** ,1927
