

Shakespeares Scepticism

Graham Bradshaw

Shakespeare's Scepticism:

Shakespeare's Scepticism Graham Bradshaw, 1990 Explores the question of value in Shakespeare's drama Bradshaw maintains that Shakespeare was preoccupied with the question throughout his career and the plays themselves show how opposing visions of nature yield opposing accounts of value He believes that Shakespeare's skepticism in respect to value represents a mode of dramatic thinking which depends on the practices and conventions of poetic drama and must be distinguished from the processes of logical discursive argument From publisher description **Shakespeare Survey** Stanley Wells, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback

Shakespeare's Essays Platt Peter G. Platt, 2020-07-31 Argues that the *Essays* of Montaigne were a crucial factor in the composition of later Shakespearean drama A new way of accounting for the different sorts of plays that Shakespeare wrote later in his career A detailed history of the literary critical interest in the Montaigne-Shakespeare connection from the eighteenth century to the present day Case studies that through sustained close readings of Montaigne's essays and Shakespeare's plays shows the shared concerns of the authors A new approach that differs from the more typical method of looking merely for verbal echoes resulting in a deeper richer sense of the way that Shakespeare's reading of Montaigne shaped his writing In this revisionist study Peter G Platt provides a detailed history of the literary critical interest in the Montaigne-Shakespeare connection from the eighteenth century to the present day Through sustained close readings of Montaigne's essays and Shakespeare's plays Platt explores both authors' approaches to self knowledge and form that stress fractures interruptions and alternatives While the change in monarchy the revived interest in judicial rhetoric and the alterations in Shakespeare's acting company helped shape plays such as *Measure for Measure* *King Lear* and *The Tempest* this book contends that Shakespeare's reading of Montaigne is an under recognised driving force in these later plays

Re-Humanising Shakespeare Andrew Mousley, 2007-06-19 Can Shakespeare help us with the question of how to live *Re Humanising Shakespeare* argues that although Shakespeare himself contributed to the uncertainties of modern living his work can still serve as a source of existential wisdom and guidance The book examines through a wide range of Shakespeare's plays the conditions under which human beings flourish or perish Love ethics emotion vulnerability and humility are amongst the topics discussed as part of the book's argument that Shakespeare is continually at pains to reclaim the human from its complete liquefaction Given the range and originality of its approach *Re Humanising Shakespeare* will make provocative reading for all those interested in Shakespeare ethics and questions of literary value *Shakespeare's History Plays* Neema Parvini, 2017-11-01 Shakespeare's *History Plays* boldly moves criticism of Shakespeare's history plays beyond anti humanist theoretical approaches This important intervention in the critical and theoretical discourse of Shakespeare studies summarises evaluates and ultimately calls time on the mode of criticism that has prevailed in Shakespeare studies over the past thirty years It heralds a new more dynamic way of reading Shakespeare as a supremely intelligent and creative

political thinker whose history plays address and illuminate the very questions with which cultural historicists have been so preoccupied since the 1980s In providing bold and original readings of the first and second tetralogies Henry VI Richard III Richard II and Henry IV Parts 1 2 the book reignites old debates and re energises recent bids to humanise Shakespeare and to restore agency to the individual in the critical readings of his plays Scepticism in Shakespeare and Other Essays Dinesh Chandra Biswas,1987 *Special Section, Shakespeare and Montaigne Revisited* Graham Bradshaw,T. G. Bishop,Peter Holbrook,2006-01-01 This year including a special section on Shakespeare and Montaigne Revisited The Shakespearean International Yearbook continues to provide an annual survey of important issues and developments in contemporary Shakespeare studies Contributors to this issue come from the US and the UK Canada Sweden Japan and Australia This issue includes an interview with veteran American actor Alvin Epstein during his recent acclaimed performance of King Lear for the Actors Shakespeare project in Boston Shakespeare's Moral Compass Neema Parvini,2018-08-13 Examines the aesthetics concepts and politics of chaotic and obscured moving images **Shakespeare, Machiavelli, and Montaigne** Hugh Grady,2002 The four plays of Shakespeare s Henriad and the slightly later Hamlet brilliantly explore interconnections between political power and interior subjectivity as productions of the newly emerging constellation we call modernity Hugh Grady argues that for Shakespeare subjectivity was a critical negative mode of resistance to power not as many recent critics have asserted its abettor *Germanisch-Romanische Monatsschrift* Heinrich Schröder (i.e. Franz Johannes Heinrich),2008 The One and the Others Andrew Cutrofello,2025-11-15 An original account of Western metaphysics based on Plato s Parmenides At the end of Plato s Parmenides Parmenides concludes that whether the One is or is not it and the Others both are and are not and both appear and do not appear all things in all ways Throughout the history of philosophy various attempts have been made to make sense of Plato s puzzling dialectical exercise In this ambitious book Andrew Cutrofello shows how Kant and Hegel extended it how contemporary philosophers including Graham Priest and Alain Badiou have reinterpreted it and how poets such as Dante Shakespeare Blake Wordsworth and Susan Howe have channeled it What emerges is an original conception of the history of metaphysics as a series of antinomies and of metaphysical poetry as a type of antinomianism **Skepticism and Memory in Shakespeare and Donne** Anita Gilman Sherman,2007-12-15 This book argues that in the course of grappling with skepticism Shakespeare and Donne revolutionize the art of memory and discover an art of doubt Topics important to students of Renaissance literature such as mimesis exemplarity pastoral and typology become transformed seen now as a set of vital responses to the incursion of skeptical doubt By discussing the aesthetics of memorialization the representation of collective memory and ideas of women as countermonuments the book investigates how Donne and Shakespeare respond to epistemological uncertainty The book should interest admirers of Shakespeare and Donne as well as those intrigued by Stanley Cavell and the avenues he has opened up for a new philosophical literary criticism **Die Entdeckung Shakespeares auf der deutschen Bühne des**

18. Jahrhunderts Renata Häublein, 2005 Die Anfänge der Liebe des deutschen Theaters und des deutschen Theaterpublikums zu Shakespeare sind das Thema dieses Buches Dabei schildert es eine Liebe auf den zweiten Blick denn als die deutschen Bühnen Shakespeare in der zweiten Hälfte des 18. Jahrhunderts für sich entdeckten spielten sie die Dramen zunächst in bearbeiteter Form um die Zuschauer für den elisabethanischen Autor begeistern zu können Die Studie liefert eine umfassende Darstellung der vorromantischen Shakespeare Bearbeitungen der Aufführungspraxis der Zuschauerreaktionen und des vielfach vergessenen eindrucksvollen Shakespeare Engagements etlicher Protagonisten des kulturellen Lebens der Zeit

Hamlet, Or, Shakespeare's Philosophy of History Mercade (pseud.), 1875 *A New Variorum Edition of Shakespeare: A midsummer night's dream. 1895* William Shakespeare, 1895 V 23 The second part of Henry the Fourth 1940 v 24 25 The sonnets 1924 v 26 Troilus and Cressida 1953 v 27 The life and death of King Richard the Second 1955 **A New Variorum Edition of Shakespeare** William Shakespeare, 1895 *The Shakespearean*, 1895 *Shakespearean Criticism* Ralph Berry, Graham Bradshaw, William C. Carroll, 1999-09 Annotation This series provides comprehensive coverage of critical interpretations of the plays of Shakespeare Starting with Vol 57 the series provides general criticism published since 1990 and historical criticism not featured in previous volumes on four to five plays or works per volume Select volumes contain topic entries comprised of essays that analyze various topics or themes found in Shakespeare's works *The Shakespearean International Yearbook*, 2006 The Real Religion of Shakespeare Also an Essay on Prospero and His Philosophy. To which is Added a Lecture Concerning Jacob Behmen, Etc Alfred Thomas Roffe, 1872
