Alfred Harbage

Shakespearean And Other Essays:

The Invention of Shakespeare, and Other Essays Stephen Orgel, 2022-04-12 In his own time Shakespeare was not a monument but a man of the theater whose plays were less finished artifacts than works in process In contrast to a book a thing we have come to think of as final and achieved a play is a work for performance with each performance based only in part on a text we call a script That script may well have had imperfections that the actors may or may not have noticed as they turned it into a performance There were multiple versions of the scripts and never a final one Every revival of a play indeed every subsequent performance was and always will be different Nevertheless when we study Shakespeare we are likely to come to him via printed texts that are scripts masquerading as books and the impulse is to turn them into finished artifacts worthy of their author's dignity In *The Invention of Shakespeare and Other Essays* Stephen Orgel brings together twelve essays that consider the complex nature of Shakespearean texts which often include errors or confusions and the editorial and interpretive strategies for dealing with them in commentary or performance There is always some underlying claim that we are getting back to what Shakespeare actually wrote Orgel writes but obviously that is not true we clarify we modernize we undo muddles we correct or explain or explain away errors all in the interests of getting a clear readable unproblematic text In short we produce the text that we want him to or think he must have written But one thing we really do know about Shakespeare's original text is that it was hard to read

The Singularity of Shakespeare, and Other Essays Kenneth Muir, 1977 **Shakespeare's Sonnets Dated, and Other Essays** Leslie Hotson, 1949 Shakespeare's

Treatment of Love & Marriage; And Other Essays C. H. Herford, 2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage The Genius of Shakespeare, and

Other Essays William Frederick Osborne, 2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy Shakespeare Without Words and Other Essays Alfred Harbage, 2013-10-01

In the title essay of this volume Harbage admonishes the critics and directors whose modern and often perverse presentations of Shakespeare attempt to locate him in the theatre of the absurd According to the author such critics are using the actions of the plays but ignoring the words his concern is that the plays be read and responded to as whole works of art Thus the groundwork is laid for this outstanding collection of essays and lectures most of them previously presented in various publications over the past two or three decades and all characterized by Harbage's urbanity wit and good sense Devoted to the debate of critical issues involving Shakespeare and his fellow dramatists the first eight essays described by

the author as pleas for sanity include such pieces as Marlowe Disinterred prompted by a book nominating Marlowe as the author of Shakespeare's plays Cosmic Card Game a parody of the New Criticism and Shakespeare and the Professions where one section details Shakespeare's opinion of the various professions as they are represented by characters in the plays parsons teachers lawyers and doctors The last part of the book is composed of four essays relating to the history of the Elizabethan drama and raising provocative questions of chronology and authorship These articles likewise deal with structural problems and suggest new directions for research

Evenings with Shakespeare Edward W. Chapin,2018-02 Excerpt from Evenings With Shakespeare And Other Essays Friends to show how a portion of the last score of years has been passed in evenings at The Club About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The New Cambridge Bibliography of English Literature: Volume 1, 600-1660 George Watson,Ian Roy Willison,1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

Greek Genius, and Other Essays John Jay Chapman,1915

Shakespeare and the Modern Stage Sir Sidney Lee,1974

The Genius of Shakespeare and Other Essays William F. Osborne,1979-08-01

Shakespeare and the Modern Stage Sidney Lee,2015-07-10 Excerpt from Shakespeare and the Modern Stage With Other Essays The eleven papers which are collected here were written between 1899 and 1905 With the exception of one entitled Aspects of Shakespeare's Philosophy which is now printed for the first time all were published in periodicals in the course of those six years The articles treat of varied aspects of Shakespearean drama its influences and traditions but I think that all may be credited with sufficient unity of intention to warrant their combination in a single volume Their main endeavour is to survey Shakespearean drama in relation to modern life and to illustrate its living force in current affairs Even in the papers which embody researches in sixteenth or seventeenth century dramatic history I have

sought to keep in view the bearings of the past on the present A large portion of the book discusses as its title indicates methods of representing Shakespeare on the modern stage The attempt is there made to define in the light of experience the conditions which are best calculated to conserve or increase Shakespeare's genuine vitality in the theatre of our own day In revising the work for the press I have deemed it advisable to submit the papers to a somewhat rigorous verbal revision About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Writings of John Fiske ...: A century of science and other essays John Fiske, 1902

Shakespeare's treatment of love & marriage, and other essays C. H. Herford, 2023-07-10 In Shakespeare's Treatment of Love Marriage and Other Essays C H Herford provides an intricate exploration of Shakespeare's nuanced portrayal of love and the institution of marriage across his plays Through a literary lens that combines both philological precision and psychological insight Herford examines the transformation of romantic relationships within the socio-political milieu of the Elizabethan era His essays deftly analyze key texts uncovering underlying themes of passion power dynamics and the contradictions inherent in romantic ideals ultimately enriching our understanding of Shakespeare's characters and their motives C H Herford was an eminent scholar of the English Renaissance deeply influenced by the literary and philosophical currents of his time His comprehensive study of Shakespeare was fueled by a desire to contextualize the Bard within the broader tapestry of human experience and emotion Herford's academic background and rich understanding of Elizabethan society endowed him with the tools to dissect Shakespeare's commentary on love's complexities an essential pursuit during an era marked by shifting social norms regarding marriage and courtship This collection of essays is invaluable for anyone seeking a deeper understanding of Shakespeare's work With its blend of critical insight and accessible prose Herford's text invites both scholars and general readers alike to engage with the timeless questions of love and partnership highlighting the enduring relevance of Shakespeare's explorations in contemporary discourse

The University Shakespeare journal, 1886

SHAKESPEARE and The Modern Stage with Other Essays Lee Sidney, 2021-07

Montaigne and Shakespeare, and Other Essays on Cognate Questions J M 1856-1933 Robertson, 2023-07-18 In this collection of essays J M Robertson explores the connections between the works of Michel de Montaigne and William Shakespeare two of the most influential writers of the Renaissance era Drawing on his extensive knowledge of literature philosophy and history Robertson sheds light on the achievements and limitations of these great authors He also discusses a range of related topics including the evolution of English prose and the role of skepticism in modern thought A fascinating read for anyone interested in literary criticism or
