Shallowwater Dictionary A Grounding In Estuary English:

    Shallow Water Dictionary John Stilgoe,2003-12-18 Shallow Water Dictionary is both a celebration of the richness of our vernacular language and a lament on its passing and with it the passing of the words we need to understand our shallow water regions once the primary landscape of America and now facing extinction both physical and linguistic This small book is an intriguing and valuable addition to our knowledge of a changing landscape Literary etymological historical and vernacular investigations of such varied terms as guzzle creek and chartreuse Stilgoes definitions are lyric explanations of words whose original meanings have been eroded by time   Shallow-water Dictionary John R. others including his concerned friends saw only as a busted slum on an island abandoned to deindustrialisation and a stranded Liberty ship full of unexploded bombs Patrick Wright who himself abandoned north Kent for Canada a few months before Johnson arrived returns to the island that is all the world to uncover the story of the East German author s English decade and to understand why his closely observed Kentish writings continue to speak with such clairvoyance in the age of Brexit Guided in his encounters and researches by clues left by Johnson in his own island stories the book is set in the 1970s when North Sea oil and joining the European Economic Community seemed the last hope for bankrupt Britain It opens out to provide an alternative version of modern British history a history for the present told through the rich and haunted landscapes of an often spurned downriver mudbank with a brilliant German answer to Robinson Crusoe as its primary witness <u>Orion</u> ,1995 <u>Shallow Water Dictionary</u> ,1990 <u>The Imperial Dictionary of the English Language</u> John Ogilvie,1883 *Book Review Index Cumulation* Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **Landscape in America** George F. Thompson,1995 The American landscape is astonishing in its diversity from great global cities to sparsely inhabited plains from rich wetlands to huge deserts from mountain peaks to rolling fields of grain from ancient pueblos to suburbia from famous river valleys to old industrial heartlands from backyards to city streets Americans have lived intimately with these landscapes since before recorded history and we continue today to think about and sometimes even struggle over what the land means to whom it belongs and whose hands will shape its appearance in the future In this collection of specially commissioned essays nineteen of America s leading writers artists and scholars come together to ponder the question What is landscape Recognizing that no one person or discipline can possibly provide the whole answer George Thompson has chosen a range of viewpoints that in his words attempts to make links between art and science history and geography photography and literature a land ethic and environmental design management and planning Landscape in America is the first book to explore the idea of landscape and place in such a broad ranging way Designed for the uncommon common reader it offers a distinctively American perspective on what landscape is what it means and what it represents that will be compelling to the widest possible audience **Causeway** Elaine Sexton,2008 Poetry Lodged in various locales whether urban or rural earthbound or on the open sea answering a landscape a family memory or the vagaries of love the poems of CAUSEWAY are always informed by an honest buoyancy of spirit that can mix the scent of lilacs with smokers coughs as imagination testifies to the hard won realization that Even in these toxic times we live we thrive Eamon Grennan Again and
