Seymour**

Shame In Shakespeare:

Shame in Shakespeare Ewan Fernie, 2002 This book offers a new and exciting view of Shakespeare's tragedies through a passionate and provocative argument for reclaiming shame

Holding a Mirror up to Nature James Gilligan, David A.J. Richards, 2021-12-02 Shakespeare reveals the causes and consequences of violence more profoundly than any social or behavioural scientist has ever done

A Concordance to Shakespeare's Poems Mrs. Horace Howard Furness, 1875

A Concordance to Shakespeare's Poems: an Index to Every Word Therein Contained. By Mrs. H. H. Furness Mrs. Helen Kate FURNESS, 1875

The Oxford Handbook of Shakespeare's Poetry Jonathan Post, 2013-07-18 The Oxford Handbook of Shakespeare's Poetry contains thirty eight original essays written by leading Shakespeareans around the world Collectively these essays seek to return readers to a revived understanding of Shakespeare's verbal artistry in both the poems and the drama The volume understands poetry to be not just a formal category designating a particular literary genre but to be inclusive of the dramatic verse as well and of Shakespeare's influence as a poet on later generations of writers in English and beyond Focusing on a broad set of interpretive concerns the volume tackles general matters of Shakespeare's style earlier and later questions of influence from classical continental and native sources the importance of words line and rhyme to meaning the significance of songs and ballads in the drama the place of gender in the verse including the relationship of Shakespeare's poetry to the visual arts the different values attached to speaking Shakespeare in the theatre and the adaptation of Shakespearean verse as distinct from performance into other periods and languages The largest section with ten essays is devoted to the poems themselves the Sonnets plus A Lover's Complaint the narrative poems Venus and Adonis and The Rape of Lucrece and The Phoenix and the Turtle If the volume as a whole urges a renewed involvement in the complex matter of Shakespeare's poetry it does so as the individual essays testify by way of responding to critical trends and discoveries made during the last three decades

Shakespearean Criticism Michael LaBlanc, 2003-10 The plays theme or focus of this volume includes King John Much Ado About Nothing Timon of Athens Silence

The Body Embarrassed Gail Kern Paster, 1993 Men and women in early modern Europe experienced their bodies very differently from the ways in which contemporary men and women do In this challenging and innovative book Gail Kern Paster examines representations of the

body in Elizabethan Jacobean drama in the light of humoral medical theory tracing the connections between the history of the visible social body and the history of the subject's body as experienced from within Focusing on specific bodily functions and on changes in the forms of embarrassment associated with them Paster extends the insights of such critics and theorists as Mikhail Bakhtin Norbert Elias and Thomas Laqueur She first surveys comic depictions of incontinent women as leaky vessels requiring patriarchal management and then considers the relation between medical bloodletting practices and the gender implications of blood symbolism Next she relates the practice of purging to the theme of shame and assays ideas about pregnancy childbirth and nursing in medical and other nonliterary texts Paster then turns to the use of reproductive processes in the plot structures of key Shakespeare plays and in Dekker's Ford's and Rowley's *Witch of Edmonton* Including twelve vivid illustrations *The Body Embarrassed* will be fascinating reading for students and scholars in the fields of Renaissance studies gender studies literary theory the history of drama and cultural history **Shakespeare's London**

Thomas Fairman Ordish, 1897 **On Some of Shakespeare's Female Characters** Helena Faucit Martin, 1885

Shakespeare's Euphuism William Lowes Rushton, 1871 *Lexicon zu Shakespeare's Werken* Alexander Schmidt, 1874
