Sherwood,2008-10-01 It was during the last century and before the spirit of revolution had effected any change in the manners of our forefathers that the events took place which are about to be recorded in this little volume At that period there existed in the wild border country which lies between England and Scotland an ancient castle of which only one tower a few chambers in the main building certain offices enclosed in high buttressed walls and sundry out houses hanging as it were on those walls yet remained This castle had once been encircled by a moat which had been suffered to dry itself up though still the little stream which used to fill it when the dams were in repair murmured and meandered at the bottom of the hollow and fed the roots of many a water plant and many a tree whose nature delights in dank and swampy soils The verdure however which encircled this ancient edifice added greatly to the beauty when seen over the extent of waste and wild in which it stood There can be no doubt but that the ancient possessors of this castle which from the single remaining barrier and the name of the family was called Dymock s tower had been no other than strong and dangerous free booters living on the plunder of the neighbouring kingdom of Scotland Every one knows that a vast extent of land waste or at best but rudely cultivated had once belonged to the Lords of Dymock *Shanty the Blacksmith* Mary Martha Sherwood,1841 Shanty the Blacksmith Mrs. Sherwood,2015-07-08 Excerpt from *Shanty the Blacksmith A Tale of Other Times* His aunt Mrs Margaret Dymock was his housekeeper and so careful had she always been for she had kept house for her brother the late laird that the neighbors said she had half starved herself in order to keep up some little show of old hospitality In truth the poor lady was marvellously thin and as sallow and gaunt as she was thin Some old lady who had stood for her at the font in the reign of Charles the Second had at her death left her all her clothes and these had been sent to Dymock s tower in several large chests Mrs Margaret was accordingly provided for for life with the addition of a little homespun linen and stockings of her own knitting but as she held it a mighty piece of extravagance to alter a handsome dress she wore her godmother s clothes in the fashion in which she found them and prided herself not a little in having silks for every season of the year Large hoops were worn in those days and long ruffles and sacks short and long and stomachers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Shanty the Blacksmith Sherwood,2014-10-16 This collection of literature attempts to compile many of the classic works that have stood
