# Shaping The Plan For Operation Iraqi Freedom

**Donald P. Wright, Timothy R. Reese**

## **Shaping The Plan For Operation Iraqi Freedom:**

**Shaping the Plan for Operation Iraqi Freedom** Gregory Hooker, 2005 The aftermath of the war in Iraq has generated a great deal of second guessing regarding Washington's prewar planning and intelligence efforts Gregory Hooker senior intelligence analyst for Iraq at U S Central Command provides a detailed narrative of the war planning process beginning with the military's initial attempts to adjust to the new focus on regime change and closing with the government's ineffective preparation for the postwar environment

*The Discourse Trap and the US Military* J. Michaels, 2013-03-19 This book proposes the idea of a discourse trap in which the discourses and associated terminology devised for political or military reasons can entrap policymakers by motivating or constraining their actions

**Shaping the Plan for Operation Iraqi Freedom** Gregory Hooker, 2005-07-01 On point II : transition to the new campaign: the United States Army in Operation Iraqi Freedom, May 2003-January 2005, **Professional Journal of the United States Army**, 2008 **The United States**

**Army in Operation Iraqi Freedom, May 2003-January 2005** Donald P. Wright, Timothy R. Reese, 2008 On Point II is a comprehensive balanced and honest account of the Army's role in a particularly significant period in Operation IRAQI FREEDOM It is neither triumphant nor defeatist On Point II provides Soldiers and other military professionals with a means to understand important and relevant lessons from the Army's recent operational experience The story of the Army in this period of Operation IRAQI FREEDOM is one filled with many transitions many successes and with significant challenges

**Military Review**, 2008 **The Politics of Intelligence and American Wars with Iraq** Ofira Seliktar, 2008-01-15 Coming at the heels of September 11 Operation Iraqi Freedom has focused the limelight on the way in which the United States predicts and manages political change The failure to find WMD and more important the continued violence in Iraq instead of the hoped for democracy has engendered an acrimonious debate on the motives of the Bush administration and its uses or misuses of intelligence The question of who got what right or wrong has been fought out along ideological and partisan lines with supporters claiming that given what was known about Saddam Hussein the decision to change his regime was justified and detractors arguing that a group of largely Jewish neoconservatives acting on behalf of Israel manipulated intelligence in order to trick the United States into an unnecessary and costly war The book provides a systematic and objective analysis of the problems that faced American intelligence in deciphering the behavior of the highly secretive and confusing Iraq regime and its enigmatic leader

*Foreign Affairs*, 2005 Operation Iraqi Freedom and the New Iraq Michael Knights, Washington Institute for Near East Policy, 2004 These 77 papers collected here by Knights Mendelow defense fellow The Washington Institute for Near East Policy WINEP provide an overview of the analyses produced by WINEP about Iraq between the start of the American invasion and occupation in March of 2003 and the so called handover of sovereignty on June 28 2004 The exceptions to this rule Methodology for Improving the Planning, Execution, and Assessment of Intelligence, Surveillance, and Reconnaissance Operations Sherrill Lee Lingel, 2007 Lingel et al present

alternative methods to approach U S Air Force intelligence surveillance and reconnaissance ISR tasking and the command and control processes and assess the outcome of different information collection strategies They develop new assessment techniques and operational strategies to improve the use of ISR assets in dynamic environments

**Moral Issues in Military Decision Making** Anthony E. Hartle, 2004 Much has changed in warfare in recent years with America now dominant on the international scene and terrorism the new enemy In light of these changes the need for moral grounding in military actions is a more pressing concern than ever When it was originally published *Moral Issues in Military Decision Making* reflected the concerns posed by nuclear stalemate and the lessons of Vietnam In that highly praised work Anthony Hartle outlined the essential elements of the Professional Military Ethic created for American military forces In this new edition he reexamines the moral foundations for America s military leadership in the post 9 11 era Considering world affairs since the first edition the Gulf War Bosnia Afghanistan Iraq 9 11 and the emergence of the United States as an unrivaled military power Hartle explains how these events have raised ethical issues that differ dramatically from those of the Cold War by the war on terrorism homeland defense asymmetric warfare the proliferation of American military interventions and the UN s role in peacekeeping operations Using meticulously analyzed case studies twice as many as in the first edition he considers such moral dilemmas as torture challenging superior officers use of overwhelming force and responding to fire in the presence of civilian shields In this revision Hartle examines further the status of professional military ethics in light of current affairs changes in the articulation of military values and recent research In a new chapter on human rights he relates moral principles directly to values embedded in the Constitution and argues that overwhelming American military power cannot succeed unless it is accompanied by the moral force of the values it seeks to protect difficulties of applying conventional laws of war and human rights doctrine in military operations Hartle convincingly shows that national security is as much about the preservation of moral principles as it is about the protection of America s citizens and borders His book demonstrates that the American military must continue to observe those principles in order to be effective in its primary mission

**Book Review Index** , 2006 Every 3rd issue is a quarterly cumulation

*Index to Jewish Periodicals* , 2005 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests

Rumsfeld's War Rowan Scarborough, 2004 This book takes you inside Rumsfeld s Pentagon detailing the decisions he has made to enable our military to fight this most unconventional of wars National security reporter Scarborough shows not only how Rumsfeld is fighting the war but how he is fighting the bureaucracy and remaking the American military shifting the focus from the ingrained bureaucracy to the special operations and others who live by can do Many of Rumsfeld s victories are revealed here for the first time Scarborough also provides details of some highly secretive Pentagon operations carried out under Rumsfeld s supervision by groups that most Americans don t even know exist In addition Scarborough offers a comparison between Rumsfeld s decisiveness and the Clinton administration s treatment of terrorism as a law enforcement issue during

al Qaeda's astonishingly rapid rise in the 1990s Scarborough concludes that history will surely judge Rumsfeld as one of America's most important defense leaders Publisher description *On Point* Gregory Fontenot, E. J. Degen, David Tohn, United States. Army. Operation Iraqi Freedom Study Group, 2004 On Point I is a study of Operation IRAQI FREEDOM OIF as soon after the fact as feasible The Army leadership chartered this effort in a message to the major commands on 30 April 2003 In his guidance Army Chief of Staff General Eric K Shinseki directed a quick thorough review that looks at the US Army's performance assesses the role it played in the joint and coalition team and captures the strategic operational and tactical lessons that should be disseminated and applied in future fights OIF was America's first truly joint combat operation with the services successfully integrated in the battlespace to a degree of mutual support and cooperation that would have been impossible five years ago The book details the major elements in that evolution in joint warfare as they played out in the deserts mountains cities and skies of Iraq The human dimension of war especially the quality of the men and women in uniform who fought the campaign and won the historic victory is a major element of the book The human dimension of war especially the quality of the men and women in uniform who fought the campaign and won the historic victory is a major element of the book Using hundreds of interviews of the troops and scores of detailed maps and illustrations On Point I provides a user friendly guide to shape future force structure and training and help refine America's warfighting doctrine

CHANGE MODE **Congressional Record** United States. Congress, 2007 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *An End to Evil* David Frum, Richard Perle, 2004-10-26 This provocative work by the bestselling author of *The Right Man* and the former assistant secretary of defense two of Washington's most influential insiders charts the agenda for what's next in the war on terrorism Intelligent and worthwhile The New York Times Book Review
