Sharing Literature With Children A Thematic Anthology:

Sharing Literature with Children Francelia Butler, 1977-01-01 A thematically arranged anthology of folklore myths fiction poetry biographies and essays Sharing Literature with Children Francelia Butler, 1989 A thematically arranged anthology of folklore myths fiction poetry biographies and essays *Children's Literature and the Posthuman* Zoe Jaques, 2015-02-11 An investigation of identity formation in children's literature this book brings together children's literature and recent critical concerns with posthuman identity to argue that children's fiction offers sophisticated interventions into debates about what it means to be human and in particular about humanity's relationship to animals and the natural world In complicating questions of human identity ecology gender and technology Jaques engages with a multifaceted posthumanism to understand how philosophy can emerge from children's fantasy disclosing how such fantasy can build upon earlier traditions to represent complex issues of humanness to younger audiences Interrogating the place of the human through the non human whether animal or mechanical leads this book to have interpretations that radically depart from the critical tradition which in its concerns with the socialization and representation of the child has ignored larger epistemologies of humanness The book considers canonical texts of children's literature alongside recent bestsellers and films locating texts such as *Gulliver's Travels* 1726 *Pinocchio* 1883 and the *Alice* books 1865 1871 as important works in the evolution of posthuman ideas This study provides radical new readings of children's literature and demonstrates that the genre offers sophisticated interventions into the nature boundaries and dominion of humanity Modern Jewish Worldmaking Through Yiddish Children's Literature Miriam Udel, 2025-10-14 How modern Yiddish children's literature gave expression to emerging forms of Jewish identity As migration carried Yiddish to several continents during the long twentieth century an increasingly global community of speakers and readers clung to Jewish heritage while striving to help their children make sense of their lives as Jews in the modern world Miriam Udel traces how the stories and poems written for these Yiddish speaking children underpinned new formulations of secular Jewishness Udel provides the most comprehensive study to date of this corpus of nearly a thousand picture books chapter books story and poetry collections and anthologies Moving geographically from Europe to the Americas and chronologically through the twentieth century she considers this emerging canon in relation to the deep Jewish past and imagined Jewish futures before reckoning with the tragedy of the Holocaust Udel discusses how Yiddish children's literature espoused political ideologies ranging from socialism to Zionism and constituted a project of Jewish cultural nationalism one shaped equally by the utopianism of the Jewish left and important shifts in the Western understanding of children childhood and family life *Modern Jewish Worldmaking Through Yiddish Children's Literature* shows how Yiddish authors educators and cultural leaders confronting practical limits on their ability to forge a fully realized nation of their own focused instead on making a symbolic and conceptual world for Jewish children to inhabit with dignity justice and joy Storytelling Professionally Harlynn Geisler, 1997-02-15 Whether you want to become
