Sharing Prayer Simple Formats For Small Groups:

Sharing Prayer Mary Sue Taylor, 1988 Successful Small Groups Kurt W. Johnson, 2011 In Matthew 28:18-20 Jesus makes the mission of the church abundantly clear: Go therefore and make disciples of all the nations. But how do you reach a twenty-first century society filled with diverse backgrounds and varying levels of religious interest? And how can you expect to grow the body of Christ when only half of your own congregation regularly attends services? The answer may be simpler than you think: involve and empower the laity in small group ministry. Kurt W. Johnson not only provides the tools for organizing and leading successful small groups but also explores the biblical and historical foundations for small group ministry. In this practical guide, Johnson illustrates the proven effectiveness that small groups have for both nurturing the spirituality of current church members and leading friends, neighbors, coworkers, and others to a saving relationship with Christ. Do you want to fulfill Jesus' Great Commission? Discover how you and your church can change the world around you through the power of the Holy Spirit, one disciple at a time. Kurt W. Johnson is the Bible school director for the Voice of Prophecy international radio ministry. His enthusiasm for small group ministry has led him to conduct training sessions internationally and to author multiple group Bible study guides, including *Face to Face With Jesus* and *Focus on Prophecy*. Book jacket.

Transform Your Church with Ministry Teams E. Stanley Ott, 2004 The concept of ministry teams is rapidly taking hold in churches, but just what are they and how do they work? *Transform Your Church with Ministry Teams* outlines what effective ministry teams look like, describes what they can offer local congregations, and gives concrete, step-by-step suggestions for making them happen. The power of ministry teams lies in their unique capacity to generate genuine Christian fellowship, nurture disciples, develop leaders, and mobilize people for ministry. While traditional church leadership organizations concentrate almost exclusively on task, policy, and program, ministry teams are designed to enhance faith development and thus ministry effectiveness. E. Stanley Ott explores three main areas of ministry team development. First, he explains the philosophy behind ministry teams and discusses the issues involved in shifting from committee-based to team-based ministry. Second, he tells how to begin ministry teams, including how to identify team leaders and members and how to determine their roles. Third, he looks at the details of ministry team life, including ways to build team fellowship, foster discipleship, and communication within teams, and accomplish specific ministry tasks. Filled with wise, time-tested advice, including four appendices, this book will help pastors and lay leaders transform the life of their church or Christian organization.
