and to help cement some of the information included in the book Don't worry though it's a bit of fun but at the same time it helps to check understanding If you are an expert on these subjects then it's unlikely you will find anything new here but if like me you enjoy learning unusual facts with interesting pictures then I hope you'll find it worthwhile Let me know what you think using the review page section Feedback is crucial to any author but please remember that I do have feelings Enjoy the show
