Shattered Reclaiming A Life Torn Apart By Violence:

Shattered Debra Puglisi Sharp, 2010-05-11 In April 1998 Debra Puglisi Sharp wife nurse and mother of teenage twins was tending the roses in her garden when a factory worker with a cocaine habit slipped in through an open door and waited for her to come in Nino her husband of twenty five years got in the way and was shot The man then attacked and raped Debra placed her in the trunk of his car and drove away Kept hog tied in her abductor s house Debra finally learned of her husband s murder from a newscast on a radio that the man blared to muffle her screams while he was out After five excruciating days Debra s mounting rage at her captor and the wrenching thought of her children burying their father alone gave her the courage and strength she desperately needed She loosened her ties groped her way to the phone and dialed 911 Shattered is an indelible portrait of hope determination and the agonizing journey back to life Struggling to heal from her horrendous ordeal and the devastating loss of her husband Debra also had to endure an agonizing court trial the raw grief of her children and her own crippling fear But through her work in hospice care and as an advocate for victims of violence and trauma she has slowly discovered the measure of her own strength A compelling survival story tragic and ultimately heroic Shattered represents one woman s attempts to make sense of a senseless crime No Room for Doubt Angela

Dove, 2009-03-03 A daughter s account of how one moment of violence shattered lives made heroes and continues to affect change in the world On March 25 1988 Debi Whitlock was brutally murdered in her Modesto California home Debi s murder devastated her family and sent her loved ones careening on radically different paths Debi s mother Jacque wanted answers Over the next nine years Jacque courageously fought what others called a losing battle and learned how to deal with the authorities the media and the public so that her daughter s killer would not go unpunished Debi s husband Harold was tossed down another path Police investigators focused their suspicions on him eventually uncovering motives and opportunity but never enough to make a case Judged harshly in the court of public opinion the once funny intelligent and fiercely loyal man fell into a spiral of guilt anger and alcoholism Told by Harold s adult daughter the last person to see Debi alive this is the story of a terrible murder and investigation that led to the ultimate end of one man s life and a renewed sense of purpose and hope in one woman s life
