She Wears The Pants:

Progress of Reality of Insanity the Second Coming Ron McIntyre,2021-04-08 The mind excited with blazes of fiery thoughts flashes forth wonders of amazement far past the imaginable somewhere in the far out extremes beyond non existence somewhere God is frightened to wander around I have seen him tip toe across the stars and stroll around in the sky like he owned them And command the lightning where to strike His powers of wonderment cause hysterical raptures of ecstasy He can transport a man s mind from reality into oblivion His frenzied mind teeters on the brink of infinity his thinking is so complex he had to invent new words to explain them He can force the trumpets of the seventh heavenly plague to blast before their appointed time and confuse the armies in heaven to where they do not know whose command to follow Lightning and voices and thunders exist only by his permission He commands the powers in heaven the angels fall at his feet the sun no longer sheds light and the moon turns to blood and the stars fall from the sky Who is this The Almighty The Only Begotten or the Third in Command no though some think so this is the author Ron McIntyre From Twitter to Tahrir Square Bala A.

Musa,Jim Willis,2014-06-24 This timely guide examines the influence of social media in private public and professional settings particularly the ethical implications of the cultural changes and trends created by their use In the quest for quick dissemination of information web users and content providers find both opportunity and liability in digital broadcasts Examples abound Twitter members tap into news reports well in advance of traditional print media but stories are prone to inaccuracies and misinformation Facebook shares useful data mined from member profiles but this sharing often compromises privacy It is no surprise that use of social media gives rise to a host of moral dilemmas never before encountered This book sheds light on the effects of this new medium on the individual and society Through two volumes chock full of topics found in news headlines everyday the authors look at evolving trends in social media and their impact on privacy politics and journalism The first volume explores the role of this technology on national and international security Volume 2 focuses on the individual as both a producer and consumer of internet content showing how the media itself is changing notions of self identity relationships and popular culture The book s content covers such topics as individual and community psychology citizen journalism and corporate technology **The Voluminons**

Working Woman ,1983 Maternal Metaphors of Power in African American Women's Literature Geneva Cobb Moore,2017-03-31 An in depth examination of Black women s experiences as portrayed in literature throughout American history Geneva Cobb Moore deftly combines literature history criticism and theory in Maternal Metaphors of Power in African American Women s Literature by offering insight into the historical black experience from slavery to freedom as

depicted in the literature of nine female writers across several centuries Moore traces black women writers creation of feminine and maternal metaphors of power in literature from the colonial era work of Phillis Wheatley to the postmodern efforts of Paule Marshall Alice Walker and Toni Morrison Through their characters Moore shows how these writers re created the identity of black women and challenge existing rules shaping their subordinate status and behavior Drawing on feminist psychoanalytic and other social science theory Moore examines the maternal iconography and counter hegemonic narratives by which these writers responded to oppressive conventions of race gender and authority Moore grounds her account in studies of Wheatley Harriet Jacobs Charlotte Forten Grimk Jessie Fauset Nella Larsen and Zora Neale Hurston All these authors she contends wrote against invisibility and powerlessness by developing and cultivating a personal voice and an individual story of vulnerability nurturing capacity and agency that confounded prevailing notions of race and gender and called into question moral reform In these nine writers construction of feminine images real and symbolic Moore finds a shared sense of the historically significant role of black women in the liberation struggle during slavery the Jim Crow period and beyond A foreword is offer by Andrew Billingsley a pioneering sociologist and a leading scholar in African American studies
