Sheepwagon Home On The Range:

Sheepwagon Nancy Weidel, 2001 Sheepwagon A Home on wheels with an intriguing history designed to house a shepherd as he follows his flocks across the grasslands and mountains A marvel of practicality and efficiency But on a rare occasion as I zoom down a highway I spot the white top of a sheepwagon a lonely sentinel on the endless horizon and it fills my imagination This photo intensive book gives the history of the sheepwagon and the surrounding sheep business Here are chapters on the early days of Western sheep raising the origins and manufacturing of sheepwagons traditional shepherders their superstitions customs and pastimes women and families who lived in sheepwagons the Basque influence and modern day herders sheepwagons and restorers Author Weidel spent years interviewing shepherders and women shepherders wagon builders and experts for this the only book on the fascinating first mobile home The oblong book format complements the many photographs most never before published

Wyoming's Historic Ranches Nancy Weidel, Wyoming Department of State Parks and Cultural Resources, 2014 Wyoming is so closely identified with ranching that it is often known as the Cowboy State The prosperity associated with the cattle industry drew wealthy investors to Wyoming Territory in the 1870s and early 1880s They stocked the range with thousands of cows and made considerable fortunes until the harsh winter of 1886 1887 when the cattle market collapsed Many of those early ranchers left Wyoming which opened the door for the establishment of what would become a huge sheep business During the 1890s and the early decades of the 20th century the various Homestead Acts drew others to Wyoming in search of a brighter future As most of Wyoming's land was suited for grazing not farming smaller ranches began to play a more important role in the state's growth Wyoming's Historic Ranches provides a rare glimpse of the cattle baron ranches as well as the more modest operations that are tucked away along remote valleys and streams not visible to the average visitor or resident of the state

Speight, 2015 This is an American story as told to me during many conversations that I had over a four year period with Robert Carl Milliken Bob The book is important because it tells of men and women who stood up to be counted when their country called people whose deeds are fading into history and soon may be forgotten The book incorporates the early history of Wyoming by starting with the first arrival of Bob's family in the Wyoming Territory before Statehood was conferred and follows the events which led Bob to his actions as a World War II Fighter Ace he flew 68 combat missions For the reader I have also placed Bob's life in the perspective of the parallel actions that occurred in the Western United States and then

during World War II in the European and Pacific Theaters The book will serve as a reminder for those readers who are not familiar with the events of World War II but who will appreciate and understand events outside of their own experience In addition it will help the families of World War II veterans to remember with pride the men and women who answered the call of their country And last but definitely not least there is also Zella s story the young woman who Bob married on August 25 1946 and who bore four children three daughters and one son Zella s family history is also interesting the family can be traced back to 1617 in England and she is a descendent of one of the two regicide judges who authorized the execution of King Charles I of England after he was deposed by the forces of Oliver Cromwell during the English Civil War 1642 1649 Furthermore this book is not only a tribute to Bob and Zella but also to Zella s brother Bobby Master Sergeant Robert Lewis Bell who saw action on many missions as the belly gunner in a B 24 bomber and who researched the history of the Bell family in considerable detail Vernacular Architecture Newsletter ,2002 **Wyoming Wild Life** ,1979 **Wyoming Wildlife** ,1979 **Wyoming History News** ,2002 Rural Heritage ,2005 *The Writer's Market* Kirsten Campbell Holm,2001 Here you will find thousands of completely updated listings plus 1 100 brand new publishing opportunities for book publishers consumer magazines script buyers trade professional journals plus more than 300 agents No other reference provides such complete AND current information **2004 Writer's Market Online** Kathryn Struckel Brogan,Robert Lee Brewer,2003 This resource provides all the benefits of the Writer s Market book plus a yearlong subscription to an updated Web site with all the relevant information writers need *Guidebook to the Geology of Utah* Utah Geological Society,1960 Deep West Michael Shay,David Romtvedt,Linn Rounds,2003 Sampler of contemporary writing from Wyoming authors Annie Proulx David Romtvedt Linda M Hasselstrom Jon Billman John D Nesbitt Robert Roripaugh Page Lambert Barbara Smith Geoffrey O Gara Charles Levendosky Warren Adler B J Buckley C L Rawlins Vicki Lindner Dainis Hazners Alyson Hagy Mark Jenkins Tim Sandlin **The Writer's Market** ,2004 A guide for the freelance writer listing pertinent information about publications and editors **The Historical Encyclopedia of Wyoming** ,1970 *Annals of Wyoming* ,2001 **Journal of the West** Lorrin L.
