Shelbys Expedition To Mexico:

Shelby's Expedition to Mexico John N. Edwards,2007-02-01 Confederate general Joseph O Shelby and his legendary Iron Brigade refused to acknowledge the end of the Civil War Instead they fought their way to Mexico in search of a place where they could continue to defy the U S government These veteran Missouri cavalrymen clawed their way for fifteen hundred miles fighting Juaristas Indians desperados and disgruntled gringos They disbanded only after they had offered their services to Emperor Maximilian and were turned down Shelby s adjutant journalist John N Edwards first published his story of the exploits of this superb mounted brigade and its quixotic final march in 1872 Conger Beasley provides a lively introduction that includes the first biographical sketch of the author The 1969 movie The Undefeated starring John Wayne and Rock Hudson was based upon Shelby s expedition

Shelby's Expedition to Mexico John Newman Edwards,1889 **Shelby's Expedition to Mexico** John Edwards,2013-10-18 Published in 1871 this is the history of Confederate General Shelby s expedition to Mexico at the end of the Civil War in the United States **Shelby's Expedition to Mexico** John N. Edwards,2015-06-26 Excerpt from Shelby s Expedition to Mexico This dethroned king had transferred its empire from the Carolinas to the Gulf from the Tombigbee to the Rio Grande It was a fugitive king however with a broken sceptre and a meretricious crown Afterwards it was guillotined Gen E Kii by Smith was the Commander in Chief of this Department who had under him as lieutenants Generals John B Magruder and Simon B Buckner Smith was a soldier turned exhorter It is not known that he preached he prayed however and his prayers like the prayers of the wicked availed nothing Other generals in other parts of the army prayed too notably Stonewall Jackson but between the two there was this difference The first trusted to his prayers alone the last to his prayers and his battalions Faith is a fine thing in the parlor but it never yet put grape shot in an empty caisson and pontoon bridges over a fullfed river As I have said while the last act in the terrible drama was being performed east of the Mississippi river all west of the Mississippi was asleep Lees surrender at Appomattox Court House awoke them Months however before the last march Price had made into Missouri Shelby had an interview with Smith They talked of many things but chiefly of the war

Said Smith What would you do in this emergency Shelby f I would was the quiet reply march every single soldier of my command into Missouri infantry artillery cavalry all 1 would fight there and stay there Do not deceive yourself Lee is overpowered Johnson is giving up county after county full of our corn and wheat fields Atlanta is in danger and Atlanta furnishes the powder the end approaches a supreme effort is necessary the eyes of the East are upon the West and with fifty thousand soldiers such as yours you can seize St Louis hold it fortify it and cross over into Illinois It would be a diversion expanding into a campaign a blow that had destiny in it Smith listened smiled felt a momentary enthusiasm ended the interview and later sent eight thousand cavalry under a leader who marched twelve miles a day and had a wagon train as long as the tail of Plantamour's comet With the news of Lee's surrender there came a great paralysis What had before been only indifference was now death The army was scattered throughout Texas Arkansas and Louisiana but in the presence of such a calamity it concentrated as if by intuition Men have this feeling in common with animals that imminent danger brings the first into masses the last into herds Buffalo fight in a circle soldiers form square Smith came up from Shreveport Louisiana to Marshall Texas Shelby went from Fulton Arkansas to the same place Hither came also other Generals of note such as Hawthorne Buckner Preston and Walker Magruder tarried at Galveston watching with quiet eyes a Federal fleet beating in from the Gulf In addition to this fleet there were also transports blue with uniforms and black with soldiers A wave of negro troops was about to inundate the department Some little reaction had begun to be manifested since the news of Appomattox The soldiers breaking away from the iron bands of a rigid discipline had held meetings pleading against surrender They knew Jefferson Davis was a fugitive westward bound and they knew Texas was filled to overflowing with all kinds of supplies and war munitions In their simple heroic faith they believed that the struggle could still be maintained Thomas C Reynolds was Governor of Missouri and a truer and braver one never followed the funeral of a dead nation his commonwealth had revered and respected This Marshall Conference had a twofold object first to ascertain the imminence of the danger and second to provide against it Strange things were done there

The Southern Exodus to Mexico Todd W. Wahlstrom, 2015-03 After the Civil War a handful of former Confederate leaders joined forces with the Mexican emperor Maximilian von Hapsburg to colonize Mexico with former American slaveholders Their plan was to develop commercial agriculture in the Mexican state of Coahuila under the guidance of former slaveholders with former slaves providing the bulk of the labor force By developing these new centers of agricultural production and commercial exchange the Mexican government hoped to open up new markets and by extending the few already existing railroads in the region also spur further development The Southern Exodus to Mexico considers the experiences of both white southern elites and common white and black southern farmers and laborers who moved to Mexico during this period Todd W Wahlstrom examines in particular how the endemic warfare raids and violence along the borderlands of Texas and Coahuila affected the colonization effort Ultimately Native groups such as the Comanches Kiowas Apaches and Kickapoos along with local Mexicans prevented

southern colonies from taking hold in the region where local tradition and careful balances of power negotiated over centuries held more sway than large nationalistic or economic forces This study of the transcultural tensions and conflicts in this region provides new perspectives for the historical assessment of this period of Mexican and American history **Jo Shelby's Iron Brigade** Jo Shelby's Iron Brigade,2007-07-15 An in depth biography of the Confederate cavalry commander who fought in the Trans Mississippi Theater of the Civil War When the Confederacy collapsed Gen Joseph Orville Shelby refused to surrender In 1861 he had started a Missouri company that grew into the greatest Confederate cavalry brigade west of the Mississippi This book follows the triumphs of the Brigade of the Confederate States Army all the way to the crossing of a contingent of the brigade into Mexico at the end of the war A planter and rope manufacturer from Kentucky Shelby operated entirely in the trans Mississippi West He served in the Missouri State Guard as a company commander at Carthage Wilson s Creek and Pea Ridge He then returned to Missouri to raise a regiment A daring raid to the Missouri River in the fall of 1863 earned him a promotion to brigadier general Shelby s Brigade fought valiantly at the Battle of Westport the Gettysburg of the West and repeatedly saved Gen Sterling Price s army from capture on the retreat south A descendant of a Shelby s Brigade member Deryl P Sellmeyer offers an evenhanded view of this impressive military leader and his men The author s decades long research of Shelby s life and his principal officers is evident as he details the history of the famous brigade **Shelby's expedition to Mexico.
