A Study Guide for Thom Gunn's "The Missing" Gale, Cengage Learning, 2016 A Study Guide for Thom Gunn's *The Missing* excerpted from Gale's acclaimed *Poetry for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Poetry for Students* for all of your research needs.

The Poetry of Thom Gunn Stefania Michelucci, 2008-12-24 Thom Gunn served as a mouthpiece for his time illustrating the social, cultural, and historical transformations that have characterized western civilization from World War II until today. Starting with theoretical premises drawn from philosophy, anthropology, and sociology, this work examines Thom Gunn's entire poetic career. In Gunn's early poetry, the author argues, the predominant theme is the desire for freedom from the painful prison of the intellect and from the masks that the individual feels compelled to wear, even in his sexual relationships. In Gunn's later poetry, the author notes a gradual opening to human relationships and to Nature, which is also Gunn's vindication and reevaluation of his own nature and the liberation of his long repressed and hidden homosexuality.

Written in Water, Written in Stone Martin Lammon, 1996 Celebrates the twentieth anniversary of this important and influential book series.

The Letters of Thom Gunn Thom Gunn, 2021-03-16 I write about love. I write about friendship, remarked Thom Gunn. I find that they are absolutely intertwined. These core values permeate his correspondence with friends, family, lovers, and fellow poets, and shed new light on one of the most singular and compelling poets in English during the past half century. *Times Literary Supplement*. These letters reveal the evolution of Gunn's work and illuminate the fascinating life that informed his poems: his struggle to come to terms with his mother's suicide, his changing relationship with his life partner Mike Kitay, the LSD trips that led to his celebrated collection *Moly* (1971) and the deaths of friends from AIDS that inspired the powerful, unsparing elegies of *The Man with Night Sweats* (1992).

The Householders Tara McDowell, 2019-09-24 How the poet Robert Duncan and the artist Jess made the household part of their separate and collaborative creative practice. In *a householder*, the poet Robert Duncan once explained, "My whole idea of being able to work was to have a household." In this book, Tara McDowell examines the household, physical and conceptual, that Duncan established with the artist Jess beginning in 1951, when the two men exchanged marriage vows and ending with Duncan's death in 1988. For Duncan and Jess, the household rather than the studio, gallery, or collective provided the support structure for their art. Indeed, McDowell argues convincingly, their work was coextensive with their household. The material surroundings of their house in San Francisco and the daily rhythms of their domestic lives became part of their creative practice. Duncan wrote poetry that is romantic, ornate, and obscure. Jess, born Burgess Franklin Collins, created multi-imaged, complex collages and assemblages. McDowell explores their life and work, reading Duncan and Jess with and against each other in alignment and misalignment. She examines their illustrated book *Caesar's Gate*, a collaborative effort that led them to reject collaboration, considers each man's lifelong preoccupation with an unfinished

project Jess's Narkissos and Duncan's The H D Book and discusses their origin myths and self made genealogies describing them as a form of witness in the face of the calamities of the twentieth century Duncan and Jess made the household a necessary precondition for their art making Doing so they reclaimed and rehabilitated the domestic from which gay couples were traditionally excluded for their own uses The household permitted them to reimagine the world McDowell's portrait of a couple expands to encompass broader issues urgent in midcentury America and still resonant today belonging and kinship alienation and catastrophe

Contemporary Gay American Poets and Playwrights Emmanuel S. Nelson, 2003-06-30 Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne Timothy Liu and Robert O'Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes an overview of the author's critical reception and primary and secondary bibliographies

Shelf Life Thom Gunn, 2005-02-01 Devoted mainly to aspects of American literature from Walt Whitman to the contemporary voices of Allen Ginsberg and August Kleinsahler these essays by the poet Thom Gunn range from figures as diverse as Marianne Moore and Mina Loy the modernist T S Eliot Ezra Pound and Basil Bunting and the West Coast writers Robert Duncan and Jack Sharpless The book also includes personal memoirs of Christopher Isherwood and Yvor Winters and a discussion between Gunn and Jim Powell himself the subject of an earlier review

Male Poets and the Agon of the Mother Hannah Baker Saltmarsh, 2019-04-23 A thoughtful exploration of male poets contributions to the literature of motherhood In the late 1950s the notion of a mother poem emerged during a confessional literary movement that freed poets to use personal psychosexual

material about intimate topics such as parents childhood failed marriages children infidelity and mental illness In *Male Poets and the Agon of the Mother* Hannah Baker Saltmarsh argues that male poets have contributed to what we think of as the literature of motherhood that confessional and postconfessional modes have been formative in the way male poets have grappled with the stories of their mothers and how those stories reflect on the writers and their artistic identities Through careful readings of formative elegies and homages written by male poets of this time Saltmarsh explores how they engaged with femininity and feminine voices in the 1950s and 60s and sheds light on the inheritance of confessional motifs of gender and language as demonstrated by postconfessional writers responding to the rich subject matter of motherhood within the contexts of history myth and literature A foreword is provided by Jo Gill professor of twentieth century and American literature in the Department of English and associate dean for education at the University of Exeter

Donald Hall in Conversation with Ian Hamilton Donald Hall, Ian Hamilton, 2000 A 112 page volume containing a 27 000 word interview with a career sketch a comprehensive bibliography and a representative selection of quotations from Hall s critics and reviewers Also included is Hall s recent poem *Tidying* Hall comes across as a professional poet who has made the most of the institutional opportunities available in post war America to build a career as writer and teacher Twenty two pages of closely printed bibliography attest to the scale and range of his work as an editor and anthologist Even tempered and meticulous he exemplifies a contented subservience to the work ethic Poetry for Hall is a craft which can be laboured at in the expectation of success proportionate to investment of effort He is as practical and dispassionate in his attitude to subject matter as to poetic form both are to be extended in the interests of furthering the reach of his poetry and if private experience is to be drawn on it does not deserve any more excitable treatment than other topics He none the less speaks at length about his personal life in the interview bringing a stoic grace to his account of the circumstances and aftermath of the death of his wife the poet Jane Kenyon *Tidying* the revealingly titled sample lyric offers a characteristically exact meditation on that aftermath Patrick Crotty *Times Literary Supplement* October 27th 2000

Thom Gunn in Conversation with James Campbell Thom Gunn, James Campbell, 2000 The book contains an extended interview a career sketch and an updated version of Hagstrom and Bixby s comprehensive 1979 bibliography It also contains several pages of quotations from Gunn s critics Also included is Gunn s recent poem *Clean Clothes* a Soldier s Song This volume gives us an informative friendly 42 page Q A between Gunn and critic biographer and TLS eminence James Campbell conducted in January 1999 after Gunn had completed what s his new book *Boss Cupid* As usual Gunn comes across as admirable reserved about his private life thoughtful about his principles He s someone who s quite devoted to nightlife to sex of course to fun and yet he s articulated a liveable moral stringency and an entirely appealing way of connecting art to ethical choice It s dangerous to take anyone s life as exemplary that must be one of the differences between people and poems but Gunn s in some ways can seem so

Jason, 2003 Presents alphabetized profiles of nearly seven hundred significant poets from around the world providing biographies primary and secondary bibliographies and analysis of their works **Mina Loy** Maeera Shreiber, Keith Tuma, 1998 Loy 1882 1966 made a career of friendship Before World War I she actively participated in the Futurist movement in Italy During the war years she was a friend and associate of William Carlos Williams and other writers associated with New York Dada In the 1920s she was a vivid presence in the Paris literary scene Her poems during these years were saluted by such critics as Ezra Pound who linked her to Marianne Moore American Literature Oxford, 2004 Contains entries that examine authors texts literary developments ideas programs and themes in the history of American literature and includes photographs a chronology and a topical outline of articles arranged alphabetically from Acad to Essa **American Errancy** Justin Quinn, 2005 The link between Romantic individualism and ideological contexts has preoccupied much criticism of American literature in the last twenty years For the most part critics arraign this tradition suggesting that the writers abscond from difficult political dilemmas to the realm of transcendence In consequence the sublime as category for thinking about literary texts has been largely abandoned Ralph Waldo Emerson's transcendence is considered at best naive at worst as providing the nascent corporate capitalism of the late nineteenth century with an iconography with which to execute its agenda
