

Shelley Shock

Denis Florence MacCarthy

Shelley Shock:

Shelley's Major Verse Stuart M. Sperry, 1988 Shelley has long been viewed as a dreamer isolated from reality a beautiful and ineffectual angel in Arnold's words In contrast Stuart Sperry's book emphasizes the life forces originating in the poet's childhood that impelled and shaped his career and reasserts Shelley's relevance to the social and cultural dilemmas of contemporary life Concentrating on the major narrative and dramatic poems and the patterns of development they reveal Sperry reintegrates Shelley's poetry with his life by showing how following the traumatic events of his early years the poet sought to preserve and extend those life impulses by creating a network of personal relationships that provided the inspiration and model for his poems As the circumstances of his life and his relationships to others changed and as his thought evolved he was led to reshape his major poems Three chapters at the center of the book devoted to Shelley's visionary masterpiece Prometheus Unbound provide the finest introduction so far to its conceptions and intent as well as a powerful vindication of the poet's enduring idealism In defining Shelley's true originality Sperry defends the poet against his harshest critics by suggesting that his vision of human potential may represent a vital resource against the competitive drives and self-destructive compulsions of our own day Sperry's approach to the poetry through the formative events of Shelley's early life provides an excellent biographical introduction His reinterpretation of the major works and the career will appeal to first-time readers as well as to mature students of Shelley

Shelley's Cenci Stuart Curran, 2015-03-08 Shelley's tragedy The Cenci has been regarded as an avant-garde attack on orthodox Christian principles a celebrated cause for Victorian intellectuals a vehicle for innovative minds of the theater a historical oddity a neglected masterpiece Derived from the dark legends of one of Rome's great families the Cenci records a history of sadism incest and murder Shelley's oneactable play has received little attention in modern times Professor Curran studies it first as a poem its patterns themes imagery then as a play After showing its relationship to England's Regency theater he analyzes the fascinating course of its stage history and finds Shelley foreshadowing such modern emphases as psychodrama the existential vision the Theatre of Cruelty Originally published in 1970 The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Shelley's German Afterlives S. Schmid, 2007-04-16 Schmid shows how reception processes work across linguistic national and cultural boundaries taking the English Romantic poet Shelley's German reception as a case study It also highlights Anglo-German literary and cultural relations of the nineteenth and twentieth centuries and supplies a theoretical framework for further analysis

Wagner the Werewolf George W. M. Reynolds, 2009-04-28 Wagner the werewolf represents the compiled exploits of one Ferdinand Wagner a bitter

old man visited on a stormy night by the legendary Dr Faust As in Faust s own tale Wagner is made a tempting offer renewed youth intelligence and unlimited wealth All he has to do is agree to accompany him for a time and to become a werewolf When Wagner agrees his youth is restored at a horrible price on the last day of each month he becomes a mindless beast part animal and part man after realizing the error of his decision he begins a quest to find a cure But Satan has a solution of his own for Wagner s condition
