Portraits Of Paul An Archaeology Of Ancient Personality:

Portraits of Paul Bruce J. Malina, 1996-01-01 The authors focus on Paul to discern how ancient persons understood themselves other people and the world around them believing that biblical interpretation can be skewed if contemporary presuppositions about personality are imposed on history Der Philipperbrief des Paulus Eve-Marie Becker, 2020-02-10 Im vorliegenden Band sind Eve Marie Beckers Arbeiten zur Person des Paulus und zu seiner literarischen Tätigkeit zusammengestellt Besonderes Interesse gilt dabei dem Philipperbrief und seiner Rezeption und Wirkungsgeschichte bis zu Ernst Lohmeyer Die Beiträge stehen im Zusammenhang der Kommentierung des Briefs für die Serie Meyers Kritisch Exegetischer Kommentar KEK Der Kommentar soll die wirkungsvolle Auslegung von Ernst Lohmeyer 1928/1930 ersetzen Vier der insgesamt sechzehn Aufsätze die im vorliegenden Band zusammengestellt sind wurden bisher nicht oder nicht auf Deutsch oder Englisch veröffentlicht die übrigen zwölf Aufsätze sind zwischen 2005 und 2018 erschienen Acts: An Exegetical Commentary : Volume 2 Craig S. Keener, 2013-10-15 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary available Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the second of four Keener continues his detailed exegesis of Acts utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights This magisterial commentary will be an invaluable resource for New Testament professors and students pastors Acts scholars and libraries *Paul's Territoriality and Mission Strategy* Ksenija Magda, 2009 A revision of the author's thesis Ph D London School of Theology 2008 Christ the Gift and the Giver Enoch O. Okode, 2022-01-28 This book provides a close look at how Paul uses the Greco-Roman royal benefaction system in Romans 5:1-11 as well as 5:12-8:39 to accomplish his theological purpose of portraying Jesus Christ as the supreme royal benefactor so that the Roman believers might faithfully respond to his reign now even as they anticipate glorification This study makes at least three significant contributions First at the lexical level it provides a reading that accounts for the benefaction motifs that permeate Romans 5:1-11 and Romans 5:12-8:39 Second it looks at the relationship between as used in Romans 5:2 and the Messiah's sacrifice as described in Romans 5:6-10 even as it asserts that Paul portrays Christ as a royal benefactor in ways that surprise the Greco-Roman notion of brokerage and the expectation that a beneficiary would be willing to die for the sake of his benefactor Third the study demonstrates that the Messiah's supreme benefaction demands appropriate reciprocity or fitting response **Walking in Their Sandals** Markus Cromhout, 2010-06-01 This volume invites readers to walk in Israelite sandals that is to take a journey of the imagination and to immerse themselves in the identity values and institutions of first century CE Israelites with the help of contemporary social scientific studies and theories What emerges is that the Israelites did not practice a religion Rather they were an ethnos or as this book describes it an ethnic identity who lived out a particular way of life and culture the customs of the

fathers It is to belong to a people who obtained their collective identity honor and sense of worth from their socialization and membership in Israel and from the social convention of loyalty to their rich cultural tradition It was to belong to a world or having a perspective on the world with its own quality of knowledge which among other things preferred collectivism over individualism and orthopraxy over orthodoxy *Dressing Judeans and Christians in Antiquity* Kristi Upson-Saia, Carly Daniel-Hughes, Alicia J. Batten, 2016-05-13 The past two decades have witnessed a proliferation of scholarship on dress in the ancient world These recent studies have established the extent to which Greece and Rome were vestimentary cultures and they have demonstrated the critical role dress played in communicating individuals identities status and authority Despite this emerging interest in ancient dress little work has been done to understand religious aspects and uses of dress This volume aims to fill this gap by examining a diverse range of religious sources including literature art performance coinage economic markets and memories Employing theoretical frames from a range of disciplines contributors to the volume demonstrate how dress developed as a topos within Judean and Christian rhetoric symbolism and performance from the first century BCE to the fifth century CE Specifically they demonstrate how religious meanings were entangled with other social logics revealing the many layers of meaning attached to ancient dress as well as the extent to which dress was implicated in numerous domains of ancient religious life
