Identity, Civic Engagement and Multiculturalism: Portuguese-Canadian Immigrant Descendants in Canada and Portugal Robert A. Kenedy, Fernando Nunes, Ana Paula Beja Horta, 2013-03-15 This special issue of the Portuguese Studies Review focuses on understanding the Portuguese Canadian immigrant experience in Canada and Portugal in terms of identity formation and civic engagement within a broader framework of current debates on multiculturalism and transnationalism This special volume resulted from the contributions presented at the Symposium Identity Civic Engagement and Multiculturalism Portuguese Canadian Immigrant Descendants in Canada which was held at York University Toronto on 11 and 12 October 2011 The issue presents studies by Robert A Kenedy Fernando Nunes Ana Paula Beja Horta Gilberta Pav o Nunes Rocha Derrick Mendes Christina Kwicza a Benjamin Kutsyuruba Filomena Silvano Marta Rosales and S nia Ferreira

Anthropology and Migration Caroline B. Brettell, 2003-09-08 Brettell s new book provides new insight into the processes of migration and transnationalism from an anthropological perspective It has been estimated at the turn of the millennium that 160 million people are living outside of their country of birth or citizenship The author analyzes macro and micro approaches to migration theory utilizing her extensive fieldwork in Portugal as well as research in Germany Brazil France the United States and Canada Key issues she discusses include the value of immigrant incorporation vs assimilation models the impacts on individual household and community as well as institutions and states the role of ethnicity and ethnic groups the effects of clandestine or illegal immigration the differing commitments to host vs sending communities the shift from city enclaves to suburban areas the constraints and opportunities that lead to ethnic entrepreneurship the role of religion in transnational linkages and the differing experiences of men and women as migrants Brettell also explores the relevance of life histories and oral narratives in understanding the immigration process and the mediation of boundaries in a new society This book provides a fresh perspective on the contemporary experience of migration and will be indispensable to instructors and researchers in anthropology race and ethnic studies immigration studies urban studies sociology and international relations

Not Born a Refugee Woman Maroussia Hajdukowski-Ahmed, Nazilla Khanlou, Helene Moussa, 2008 Not Born a Refugee Woman is an in depth inquiry into the identity construction of refugee women It challenges and rethinks current identity concepts policies and practices in the context of a globalizing environment and in the increasingly racialized post September 11th context from the perspective of refugee women This collection brings together scholar practitioners from across a wide range of disciplines The authors emphasize refugee women s agency resilience and creativity in the continuum of domestic civil and transnational violence and conflicts whether in flight or in resettlement during their uprooted journey and beyond Through the analysis of local examples and international case studies the authors critically examine gendered and interrelated factors such as location humanitarian aid race cultural norms and current psycho social research that affect the identity and well being of refugee women This volume is destined to a wide audience of scholars

students policy makers advocates and service providers interested in new developments and critical practices in domains related to gender and forced migrations

Handbook of Research on Ethnic Minority Entrepreneurship Leo Paul Dana, 2007 Professor Dana and his colleagues have carefully and successfully put together a collection of chapters on ethnic minority entrepreneurship from all parts of the world The book comprises eight parts and 49 chapters Undoubtedly given the massive size and content of a 835 page book it is fair to ask is it value for money The answer is unequivocally yes A further comment on the content of the book should probably reassure potential readers and buyers of the book This collection is undoubtedly rich creative and varied in many respects Therefore it will be of great benefit to researchers and scholars alike I will strongly recommend this book to researchers students teachers and policy makers

Aminu Mamman International Journal of Entrepreneurial Behaviour and Research The volume presents an impressive panorama of studies on ethnic entrepreneurs ranging from Dalits in India to Roma entrepreneurs in Hungary B P Corrie Choice From a focus on middle man minorities in the 1950s the study of minority ethnic entrepreneurship has evolved into a vast undertaking A major ingredient in this expansion is the massive population movements of the past thirty years that have created ethnic minority communities in almost all advanced economies From New York to San Francisco from Birmingham to Hamburg from the Chinese in Canada to the Turks in Finland to the Ghanians in South Africa to the Lebanese in New Zealand more than twenty chapters in this volume treat small scale ethnic entrepreneurship and the cultural and institutional resources which support it At the other end of the spectrum the ethnic Chinese have created ever larger multi divisional enterprises in the host societies of Southeast Asia At the mid point of the spectrum analyzed in an elegant paper by Ivan Light is the recently identified transmigrant entrepreneur acculturated in two societies but assimilated in neither whose special endowments have provided the lynchpin for for much of the international trade expansion in the global economy over the past decade And Dana and Morris provide us with much more Afro American entrepreneurship caste and class the theory of clubs women ethnic entrepreneurs minority ethnicity and IPOs In the quality of its contributions and in the reach of its coverage this Handbook attains a very high standard Peter Kilby Wesleyan University US The new Handbook of Research on Ethnic Minority Entrepreneurship edited by L o Paul Dana constitutes a major contribution to the literature on ethnic enterprise Unlike previous work which tended to focus on one country or one region of the world this book is global in scope You will find chapters on America Europe and Asia as well as integrative essays that review important principles and concepts from the literature on ethnic entrepreneurship I particularly

appreciate the historical and evolutionary framework within which the contributions are situated This book belongs on the shelf of everyone who has an interest in immigration and entrepreneurship or ethnic entrepreneurship more generally Howard Aldrich University of North Carolina US This exhaustive interdisciplinary Handbook explores the phenomena of immigration and ethnic minority entrepreneurship in light of marked changes since the mid twentieth century and the advent of easier more affordable travel and more open and integrated national economies The international contributors key experts in their respective fields illustrate that myriad ethnic minorities exist across the globe and that their entrepreneurship can and does significantly influence national economies The contributors go on to promote our understanding of which factors make for successful entrepreneurship and perhaps more importantly how negative political consequences that members of successful entrepreneurial ethnic minorities might face can be minimized This extensive collection of current research on entrepreneurship

In Pursuit of Their Dreams Jerry R. Williams, 2007 Jerry Williams history of Azorean immigration to the United States offers us valuable insight into the experience and culture of Portuguese immigrants and their descendants This account fills a major gap in American immigration history and gives us a comprehensive overview of how Portuguese Americans now numbering close to a million people have come to constitute a vibrant and highly visible presence within southeastern New England the areas around San Francisco and San Diego Hawaii and the New Jersey New York metropolitan area Even though Azorean immigrants all came from similar cultural and social backgrounds Williams shows how regionally specific opportunity structures and social hierarchies have contributed to significant differences within the Portuguese American experience Starting with the whaling routes that first connected the mid Atlantic archipelago with the ports of call in New England and California in the early 1800s Williams lays out the complex relationship between the Azores and the US that has continued into the present We learn how particular patterns of poverty overpopulation and social inequality in the Azores pushed large numbers of the islands inhabitants to leave their homes in search of better opportunities for themselves and their children He tells the story of how the early whalers who jumped ship in New Bedford San Francisco or Hawaii were followed by kin and fellow villagers who had heard of plentiful jobs in New England s textile mills gold and land in California or agricultural work on Hawaiian plantations Williams account allows us to understand the importance of family and community connections throughout the immigrants arduous transition from peasant life to industrial society

Community, Culture and the Makings of Identity Kimberly DaCosta Holton, Andrea Klimt, 2009 Offers insight into the histories cultures and social dynamics of Portuguese and other Lusophone and Luso African of the northeastern seaboard of the U S

Williamson,2008-06-15 Telling Toronto s story from the final retreat of the Laurentide Ice Sheet to today s metropolis a team
of expert authors brings beautiful illustrations and fascinating fresh perspectives together in this new natural archaeological
and social history **Gatekeepers** Franca Iacovetta,2006 An in depth study of European immigrants to Canada during the
Cold War Gatekeepers explores the interactions among these immigrants and the gatekeepers mostly middle class
individuals and institutions whose definitions of citizenship significantly shaped the immigrant experience Iacovetta s deft
discussion examines how dominant bourgeois gender and Cold War ideologies of the day shaped attitudes towards new
Canadians She shows how the new comers themselves were significant actors who influenced Canadian culture and society
even as their own behaviour was being modified Generously illustrated Gatekeepers explores a side of Cold War history that
has been left largely untapped It offers a long overdue Canadian perspective on one of the defining eras of the last century
