Creating a Democratic Climate for Kids Mary Lou McCormick, 2020-10-28 The principles of democracy freedom and the rights of individuals are taught from textbooks but the principles of autocracy and dictatorship are still practiced in most schools and homes It is no wonder our children feel unsettled defiant and even outright rebellious Many of our young people are growing up ignorant of and uncommitted to the great principles upon which our nation was founded The way to make children committed to our democratic way of life is to make them full participants in it This new guide is provided to assist educators and parents in making our schools and homes models of democracy giving our kids the freedom of choice and bestowing on them the basic rights of citizenship Parents and educators must unite as democratic leaders to guide coach and stimulate our young people to assume responsibility for themselves The future of our nation may depend on it **Reclaim**
