## Positive Europe:

**Good Governance in Europe's Integrated Market** Christian Joerges, Renaud Dehousse, 2002 Exploring the constitutional and the administrative law dimensions of the developing European market governance this volume considers the changes which have occurred from the perspective of both legal and social theory *Young People's Perceptions of Europe in a Time of Change* Bruno Losito, Gabriella Agrusti, Valeria Damiani, Wolfram Schulz, 2018-05-01 This open access book presents findings from 15 European countries participating in the second cycle of the IEA International Civic and Citizenship Education Study ICCS 2016 The study investigates the ways in which young people are prepared to undertake their roles as citizens in a range of countries in the second decade of the 21st century It responds to new and persisting challenges in the area of civic and citizenship education The main results presented in this book are based on data collected using a European student questionnaire and provide insights into lower secondary students views on European identity such as whether they identify as European or have opportunities to learn about Europe in school perceptions of freedom of movement and immigration such as attitudes toward immigration restriction of freedom of movement and the freedom of European citizens to live and work across Europe and perceptions of Europe and its future such as views on European cooperation expectations regarding Europe's future and attitudes toward the European Union For the 12 countries that participated in the previous cycle ICCS 2009 ICCS 2016 reveals changes in young people's perceptions of immigration and European identity between 2009 and 2016 Test and questionnaire data from the international core study are used to review the extent to which region specific perceptions are related to other factors such as students level of civic knowledge and social or educational contexts Good Administration and the Council of Europe Ulrich Stelkens, Agnė Andrijauskaitė, 2020 This book seeks to find an answer to the question of how to rule a state well by drawing on a range of organizational procedural and substantive standards of administrative conduct developed within the framework of the Council of Europe CoE as an organization of a broader scope than the European Union The Energy Security Gains from Strengthening Europe's Climate Action Geoffroy Dolphin, Mr. Romain A Duval, Romain Duval, Hugo Rojas-Romagosa, Galen Sher, 2024-05-30 Following the 2022 energy crisis this paper investigates whether Europe's ongoing efforts to cut greenhouse gas emissions can also enhance its energy security The global computational general equilibrium model analysis finds that individual policy tools including carbon pricing energy efficiency standards and accelerated permitting procedures for renewables tend to improve energy security Compared to carbon pricing sector specific regulations deliver larger energy security gains and spread those more evenly across countries benefitting also some fossil fuel intensive economies in Central and Eastern Europe This finding strengthens the case for a broad climate policy package which can both achieve Europe's emissions reduction goals and deliver sizeable energy security co benefits An illustrative package which would cut emissions in the EU UK and EFTA by 55 percent with respect to 1990 levels by 2030 is estimated to improve the two energy security metrics used

in this paper by close to 8 percent already by 2030 Beyond the policies analyzed in the model the paper also discusses the technology market design and supply chain reforms that Europe needs for an energy secure green transition *SDGs in the European Region* Walter Leal Filho, Maria Alzira Pimenta Dinis, Sara Moggi, Elizabeth Price, Alex Hope, 2023-08-31 This volume describes the thinking on sustainable development and a variety of initiatives across Europe illustrating regional efforts to foster sustainable communities and ecological and social innovation It contains various contributions which showcase examples of thinking economic and social structures and in consumption and production patterns needed to implement the SDGs This book is part of the 100 papers to accelerate the implementation of the UN Sustainable Development Goals initiative **Market Entry Strategies in Eastern Europe in the Context of the European Union** Michael Klug, 2006-10-26 Based on face to face interviews with decision makers of 16 German firms Michael Klug analyses the applied strategy and the motivation for market entry He investigates different strategy theories for their suitability to explain the firms strategy abroad and discusses the operational design including forms of market presence and marketing mix to realise a chosen strategy *Explaining European Identity Formation* Stephanie Bergbauer, 2017-10-24 What makes people identify with Europe To answer this question this book analyzes the development and determinants of a common European identity among EU citizens from the Maastricht Treaty in 1992 to the recent financial and economic crisis The author examines citizens identification with Europe for all EU member states and systematically explores the theoretical and empirical implications of two turning points in the recent history of EU integration namely the EU s enlargement to Central and Eastern Europe in 2004 2007 and the financial and economic crisis that started in 2008 The book integrates theoretical approaches to European identity in sociology social psychology and EU public opinion research in a comprehensive model for explaining individual identification with Europe The empirical analysis employs a multilevel framework to systematically assess the influence of individual characteristics and the political economic and social context on citizens feelings of identity The long analysis period spanning from 1992 to the present allows inferences to be drawn about the long term developments in the sources of European identification as well as the immediate impact of EU enlargement and the crisis on the determinants of European identification *Understanding the EU as a Good Global Actor* Fahey, Elaine, Mancini, Isabella, 2022-10-07 This timely book investigates the EU s multi faceted development as a global actor unpacking its legal mission to be a good actor as well as exploring the complexities of fulfilling this objective It elicits critical reflections on the question of goodness in EU external relations from descriptive analytical and normative perspectives and examines which metrics of actorness are useful in tackling this subject British Elections and Parties Yearbook Colin Rallings, David Broughton, David M. Farrell, 1996 This volume looks at the political events and discusses the major issues of 1994 most notably the European parliament elections **Europe at Schools in Germany**, 2003 *Equality and Europe* Great Britain. Equal Opportunities Commission, 1987 **Good Words**, 1884 *The Rules Governing Medicinal Products in the*

*European Community: Good manufacturing practice for medicinal products* Commission of the European Communities,1991
