

THE POST-COLD WAR PRESIDENCY

Anthony J. Wiener and William R. Wiener
Foreword by Thomas E. Cronin

Post Cold War Presidency

Gary M. Fink, Hugh Davis Graham

Post Cold War Presidency:

The Post-Cold War Presidency Anthony J. Eksterowicz, Glenn P. Hastedt, 1999-07-08 With the end of the Cold War U S presidential leadership has become both more important and more difficult Post war periods have historically posed challenges to leadership and this time around the long time image of the leader of the free world has declined in the face of globalization and increased interdependence among nations It is exactly this complex environment that makes Americans look ever more to their president for guidance This accessibly written volume discusses socio cultural political and economic changes during and after the Cold War period and how these have affected modern presidential leadership Prominent contributors cover key issues image and character domestic and foreign policy distraction theory domestic and international economics executive legislative relations security intelligence executive dominance and activist government and suggest strategies for helping to ensure a strong presidency in the future

The Rise of the American Security State

M. Kent Bolton, 2017-12-01 This book examines the impact of the National Security Act of 1947 the most important foreign policy legislation that many Americans including policymakers and academics have never heard of Since September 11 2001 the White House under both Bush and Obama has pushed the envelope of taking the United States to war without declarations interrogating prisoners of war spying on potential threats and acting unilaterally Why have these trends occurred How has the apex of foreign power shifted causing a sea change that has fueled a continual turf war between Capitol Hill and the White House And perhaps most critically what is America s role in the world now and what should it be *The Rise of the American Security State* The National Security Act of 1947 and the Militarization of U S Foreign Policy argues that the National Security Act of 1947 and the early Cold War created a bipartisan consensus among U S policymakers that spanned several administrations The result of this consensus and the National Security Act was the creation of permanent institutions the permanent Defense Department with a secretary of defense the intelligence community which has grown to 17 agencies and significantly the National Security Council inside the presidency Collectively these three developments have led to the militarization of U S foreign policy Readers will grasp how concepts and strategies that were in their infancy during the Cold War era have persisted and continued to affect today s U S foreign policy

Presidents Neil A. Hamilton, 2005 Profiles of American presidents are listed in order of election to office Includes personal and professional information timelines of life and unusual facts

Evaluating the Obama Presidency

Meena Bose, Paul Fritz, 2024-07-22 In 2007 and 2008 Barack Obama ran for president with a message of a shared purpose uniting all Americans and was elected with expectations that he would usher in a new national culture under an approach grounded in public engagement that would transcend partisan divisions But in an institutional system designed for incremental and contested policy making governance enacting these transformational ambitions proved to be far more difficult than anticipated This innovative volume assesses the legacy of President Obama with a conceptual focus on the challenge of meeting his goals with the realities of governing A diverse

group of political science history and communication studies experts systematically examines Obama's performance accomplishments and shortcomings through the lens of the expectations gap the tensions and obstacles of translating campaign promises into policies The wide representative set of case studies address campaigning and coalition building party polarization presidential communication executive power leadership and decision making and domestic and foreign policy With original and deep analysis these scholars make a unique enduring contribution to understanding the Obama presidency the office of the president and indeed American politics This insightful accessible book will be of great interest to students and scholars of the presidency political communication rhetoric and broadly across US government and democracy

U.S. Presidents during Wartime Sean N. Kalic, Ethan S. Rafuse, 2023-09-21 From the American Revolution to the War in Afghanistan the United States has had no shortage of conflicts on both domestic and world stages All provide insight into the values of the presidents who led the nation through them U S Presidents during Wartime A History of Leadership takes readers through chronological entries of presidents who participated in key wars throughout U S history An overview essay first considers the social economic and political factors that affected presidents during war Entries beginning with the presidency of George Washington and ending with that of George W Bush comprehensively cover each war therein as well as the responses of the relevant presidents Primary documents in each entry depict the perspectives of the presidents and offer opportunities for comparing and contrasting the presidents engagements in wartime strategies Ending each entry are chronologies of the various events and conflicts that marked the president's time in office Moreover entries build upon each other to help readers toward a broader understanding of the sum impact of the wars that the presidents led While the book emphasizes the historical record it also explores ongoing conflicts through the lens of contemporary U S presidents to provide readers with a complete picture of the changing nature of war over time The Presidency of Woodrow Wilson

Kendrick A. Clements, 1992 Describes the goals and accomplishments of the Wilson administration and portrays his strengths as a leader Bibliog *U.S. Presidents and Latin American Interventions* Michael Grow, 2008 Reveals how Cold War U S presidents intervened in Latin America not as the official argument stated to protect economic interests or war off perceived national security threats but rather as a way of responding to questions about strength and credibility both globally and at home

The Presidency of George Bush John Robert Greene, 2000 This comprehensive history of George Bush's administration paints a striking portrait of a positive moderate whose accomplishments have often been underrated 14 photos *The Carter Presidency* Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter's election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key

elements of Carter's presidency examining the significance of his administration within the context of evolving American policy choices after World War II. They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order. By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration. As this volume demonstrates Carter's dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities. While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge. These thirteen original essays cover such topics as the economy, trade and industrial policies, welfare reform, energy, environment, civil rights, feminism, and foreign policy. They offer thoughtful assessments of Carter's performance focusing on policy both as cause and effect of the post industrial transformation of American society that shadowed his administration. A final essay shows how Carter's public spirited post presidential career has made him one of America's greatest ex presidents. Grounded on research conducted at the Carter Library, *The Carter Presidency* is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years. It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America.

The Virginia Papers on the Presidency, 1993 **After Consensus** Hans Löfgren, Alan Shima, 1998 ***The Postmodern Presidency*** Steven E. Schier, 2000 Including the conflict in Kosovo, the WTO meeting in Seattle and new developments in the 2000 presidential campaign, *The Postmodern Presidency* is the most comprehensive and current assessment of Bill Clinton's presidency available in print. *Political Science Quarterly*, 1998 Vols 4, 38, 40, 41 include Record of political events Oct 1, 1888-Dec 31, 1925 issued as a separately paged supplement to no 3 of v 31, 38 and to no 1 of v 40. ***The Reagan Effect*** John W. Sloan, 1999 Now that Reagan's achievements and failures have become more obvious it is time for a new nonpartisan appraisal of his leadership and its impact on the nation. That is precisely what John Sloan delivers. Sloan focuses especially on the questions raised in the highly polemical debates between conservatives and liberals concerning Reagan's economic policies. He gives equal time to both sides showing how liberals were wrong in their predictions of gloom while conservatives continue to grant Reagan more credit and status than he deserves.

The American Presidency James W. Davis, 1995-08-18 This is a thoroughly revised in depth analysis of the American presidency by a major scholar in the field. The main goal of the text is to explain how the president's ability to implement policy is circumscribed by several major factors: the Madisonian separation of powers, the decentralized power structure in Congress, the number of cross party coalitions needed to pass legislation, a slow moving federal bureaucracy and the powerful influence of special interest groups opposed to many presidential initiatives. Included in this second edition is coverage of the first two years of the Clinton presidency and a special chapter on the emergence of the presidential branch.

the White House staff and its displacement of the cabinet and the executive departments as the foremost decision making agents in the federal government a unique chapter not found in other texts Since highly unstable relations between the president and congress have become the hallmark of our national government especially in this era of divided government a new chapter on the president and congress has been added to the text The growing role of the vice president an original chapter in the first edition has been expanded and updated to include the Gore vice presidency The chapter on proposed reforms of the presidency received wide approval in the first edition In the second edition special attention is devoted to the proposal to abolish the Electoral College and replace it with direct election of the president This edition focuses heavily on the activist presidential leadership of the modern presidency but notes its perishable nature High presidential approval ratings as George Bush demonstrated cannot be stockpiled or deposited in the bank to be drawn upon later Along the way the author makes several major points 1 the excessive demands that the American public imposes on its presidents threaten to turn the nation s highest office into a series of one term presidents 2 the decline of political parties as vehicles for mobilizing presidential support has forced the nation s chief executive to go over the heads of congress and directly to the public to solicit support for his policies and 3 the emerging dangers of electronic democracy and national referenda and the potential rise of a plebiscitary president all pose more imminent threats to our shared powers system than most presidential watchers have been willing to concede

Post World War II Presidential Rhetoric on Technology Stephen Donald Geahry,1998

The Modern American Presidency Lewis L. Gould,2009 The Modern American Presidency is a lively interpretive synthesis of 20th century leaders filled with intriguing insights into how the presidency has evolved as America rose to prominence on the world stage Gould traces the decline of the party system and the increasing importance of the media resulting in the rise of the president as celebrity 36 photos

Presidential Travel Richard J. Ellis,2008 The first full length examination of presidential travel and its role in transforming the image and identity of the presidency from first citizen to political celebrity Colorful anecdotes and acute analysis combine to provide a fresh look at the importance of travel in shaping the imperial presidency

Powers of the Presidency Congressional Quarterly, inc,1997 Powers of the Presidency second edition thoroughly examines the formal and inherent powers of the nation s foremost elected office Beginning with a look at the constitutional origins of presidential power each chapter traces the historical development of presidential authority up to contemporary times

Mr. and Mrs. President Gil Troy,2000 With a new chapter devoted to Hillary and Bill Clinton s tainted partnership in office and to the present First Lady s senatorial ambitions this second edition offers fresh insights into America s paradoxical expectations for its presidential wives and husband Deeply engrossing Publishers Weekly 33 photos

Embracing the Melody of Term: An Psychological Symphony within **Post Cold War Presidency**

In some sort of eaten by monitors and the ceaseless chatter of instantaneous communication, the melodic splendor and mental symphony created by the published term frequently fade in to the backdrop, eclipsed by the relentless noise and disturbances that permeate our lives. Nevertheless, located within the pages of **Post Cold War Presidency** a stunning fictional treasure overflowing with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this interesting masterpiece conducts visitors on a psychological trip, skillfully unraveling the concealed songs and profound impact resonating within each carefully crafted phrase. Within the depths of this emotional review, we can discover the book is central harmonies, analyze its enthralling publishing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Post Cold War Presidency Introduction

In the digital age, access to information has become easier than ever before. The ability to download Post Cold War Presidency has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Post Cold War Presidency has opened up a world of possibilities. Downloading Post Cold War Presidency provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Post Cold War Presidency has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Post Cold War Presidency. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Post Cold War Presidency. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Post Cold War Presidency, users should also consider the potential security risks associated with online

platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Post Cold War Presidency has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Post Cold War Presidency Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Post Cold War Presidency is one of the best book in our library for free trial. We provide copy of Post Cold War Presidency in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Post Cold War Presidency. Where to download Post Cold War Presidency online for free? Are you looking for Post Cold War Presidency PDF? This is definitely going to save you time and cash in something you should think about.
